#### SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.
- To view our SARC online, please visit our website or scan the QR code to the right.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/> dataquest that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

#### District Vision

##### Our Mission

“Every Student Successful. Engaging Schools. Empowered Communities.”

##### Our Shared Vision

Fontana Unified is a community united to ensure that every student is prepared for success in college, career, and life.

##### Our Core Values

- Teamwork and Respect
- Excellence and Achievement
- Responsibility and Accountability
- Equity and Opportunity
- Dedication and Commitment

## ***Our Three Cornerstones of Success***

- Every Student Successful: Schools demonstrate a relentless focus on preparing students for success in college, career and life.
- Engaging Schools: Schools have the high-quality resources, leaders and teachers to provide the comprehensive learning environment required for a world-class education.
- Empowered Communities: Schools cultivate healthy environments and meaningful partnerships with families and communities to support student achievement in and out of school.

## ***Our Goals and Budget Priorities***

- Increase proficiency and strategic thinking
- Promote multilingualism and multiculturalism
- Increase graduation and college and career readiness
- Cultivate effective teachers and leaders
- Engage students and decrease dropout rates
- Strengthen family and community engagement
- Promote healthy environments

## **School Profile (School Year 2020-21)**

Dorothy Grant Innovations Academy opened its doors in August 2004 and was named after a prominent, nationally renowned civil rights leader who passed away in April 2013. It is a community school located in the middle of a residential neighborhood where most students walk to school. A state preschool program is on campus and open to eligible 3-5 year olds; the preschool program offers a child-centered curriculum focusing on physical, cognitive and social-emotional growth and requires parents to help out in classes.

Dorothy Grant Innovations Academy proudly earned the California Department of Education's 2013 Title I Academic Achievement Award and is a California Distinguished School. This prestigious honor is a reflection of the school's system of support for all students at all learning levels. Innovative intervention strategies and differentiated instruction greatly impacted schoolwide student performance to meet state and federal standards of excellence. The school became a Computer Science Immersion School in 2018 and implemented Code to the Future curriculum for all students K-5th with the inclusion of all special education classes.

The use of technology is strongly emphasized throughout the curriculum and used as a tool to enhance class lessons. Each teacher has a laptop and LCD projector to expand instructional resources beyond the traditional textbook. Eleven classrooms are equipped with 75 inch flat screen Bluetooth T.V.s, with more classroom monitors planned for installation next year.

Every student in grades 3-5 is provided with a convertible laptop and in grades K-2 the ratio is one laptop for every two students. Dorothy Grant Innovations Academy also utilizes the Response to Intervention Model to ensure that all students are learning and that differentiated instruction takes place within each student's grade level and learning level.

Fontana Unified schools are located in San Bernardino county, California. The state of California has been heavily impacted by the COVID-19 pandemic and most schools in the state are participating in full distance learning and some with a hybrid of distance learning and in-person learning. Every county in California is assigned to a tier based on its test positivity and adjusted case rate. San Bernardino County is currently in the Widespread (Purple) Tier, the strictest of tiers. Under the California guidance, schools may not reopen for in-person instruction until the county has been in the Substantial (Red) tier for at least two weeks. As a result, all Fontana Unified schools will continue to educate students via distance learning until further notice.

## **Principal's Message**

It is a pleasure to serve such a great community of amazing students, wonderful families and a dedicated staff. We feel privileged to continue working with all of you! Our goals for Dorothy Grant Innovations Academy are to ensure:

- \* All students will be on track for college and career readiness

- \* All students will be able to compete in the global community
- \* All students will be kind, compassionate caring individuals. These goals for our students at Dorothy Grant Innovations Academy require a great commitment on the part of all key stakeholders. Parents, teachers, staff, our counselor, and administration must support students daily and work collaboratively to ensure student success. Please work with us on the following:
- \* Demonstrate high expectations for academics, attendance, character and performance for your child daily
- \* Hold regular conversations with your child and your child's teacher about learning goals. Don't wait to have conversations about how to enrich their academics, character or interventions as needed
- \* Check nightly reading, classwork and activities for your child's best work on a daily basis-- learning excellence begins at home and is built upon at school
- \* Hold daily conversations utilizing a rich vocabulary with your child-- learn new words and make learning language a daily habit
- \* Talk to your child about being a great citizen and being kind to others. Stand up for what is right in the world. We have zero tolerance for bullying!
- \* As adults, it is important that we model appropriate behavior when on school grounds or when conflict occurs-- your child is watching every move you make!
- \* Be an active participant at Dorothy Grant Innovations Academy. We are home of the volunteers! Sign up to volunteer, on the PTA/SSC/ELAC, and get to know your child's teacher and his/her friends
- \* Utilize online resources the school provides such as Lexia, Starfall, Compass Learning Math, Mobymax, Discovery Education and Ten Marks for learning at home (see your child's teacher for passwords)
- \* Track your child's reading goals using Accelerated Reader Home Connection

We are proud to be one of the only two Code to the Future schools in the Inland Empire. All students in grades Kindergarten through five have access to Code to the Future curriculum.

We are very excited for this school year and look forward to working with you! Please check the calendar for upcoming events, check the Dorothy Grant PTA website, Dorothy Grant PTA Facebook page, and upcoming Dorothy Grant PTA Instagram site. Stay in the know!

The COVID-19 pandemic has required the closure of in-person learning at our school. While we all would rather be learning in-person together; I am so proud of our students, families, and teachers for how well they have handled the transition to distance learning. I look forward to being able to see all of the students in-person again as soon as it is safe to do so. Until then, we will continue to get through this unprecedented challenging time together virtually.

## **School Attendance**

Attendance is critical to academic achievement, and regular daily attendance is a priority at Fontana Unified School District. Attendance, tardiness, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. Absence reports are regularly reviewed by the school. Parents are informed of absences through phone calls and letters sent home.

The COVID-19 pandemic has created the necessity of schools to provide students with a quality education while maintaining the health and safety of all students and school staff. Currently, schools are providing distance learning instruction to all students. Students work with teachers from their school online. Teachers provide daily live interaction with students, using a variety of tools to help students learn and complete their assignments. Students are responsible for participating in group classes as well as completing work on their own. They are expected to complete and turn in all assignments for grading. Additionally, the daily schedule allocates designated "Student Support Time" where teachers are available to answer student and parent questions and students with identified needs can receive additional instruction and support.

## Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## School Facilities (School Year 2020-21)

### Age and Condition of Facilities

Dorothy Grant Innovations Academy provides a clean, safe, and functional environment for learning through proper facilities maintenance and campus supervision. Built in 2004, the school sits on 10 acres and includes a library, a staff lounge, 28 permanent classrooms, five portable classrooms, a computer lab, an innovations lab, a teachers' workroom, an enrichment room, an RSP room, a speech therapy room and a cafeteria/multipurpose room with a stage area. The school's garden, featuring a beautiful waterfall, is fully cared for by the students.

## Campus Supervision

School police officers help direct traffic before and after school, as needed. Each morning before school starts, many staff members share supervisory duties and greet students as they arrive on campus. Two school site aides direct pedestrian and vehicle traffic; one school site aide is stationed on the playground; teachers are in front of the school, on the playground, in quad areas; and the principal supervises activities in front of the school. During recess, school site aides are on the playground to ensure students play safely. At lunch time, two school site aides monitor cafeteria activities while a school site aide circulates between the cafeteria and playground areas. When students are dismissed for the day, teachers escort their students to the designated exit areas, two school site aides direct traffic, and the principal circulates exit and school-front areas to ensure students depart in a safe and orderly manner.

Dorothy Grant Innovations Academy is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

## Campus Maintenance

School custodial staff and the district's maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors.

The Fontana Unified School District publishes a comprehensive custodial manual which outlines cleaning standards and prioritization guidelines. Each custodial staff member receives job training and is provided a copy of the district's cleaning manual, which defines individual responsibilities regarding maintenance procedures, daily responsibilities, performance expectations, and safety measures.

One full-time day custodian, one full-time evening custodian, and one part-time evening custodian are assigned to Dorothy Grant Innovations Academy and are responsible for keeping classrooms and facilities clean, safe, and in good repair and working order. Each morning before students arrive on campus, the day custodian and the principal inspect facilities for graffiti, safety hazards or other conditions that need attention prior to students and staff entering school grounds. Custodians inspect restrooms a minimum of four times per day and clean as needed. The principal and custodians communicate daily regarding campus maintenance and safety issues.

Daily housekeeping and cleaning takes place in the evening. When students and staff are on intercession or school break, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

An electronic work order process is in place for non-routine school repairs and maintenance projects. School staff submit work orders to the school secretary, who forwards all work orders to the district's maintenance department. The Maintenance Department identifies the scope of the project, and assigns it to either district maintenance technicians/specialists or site custodians. Each site custodian is capable of handling general repairs; projects requiring specialists or third party contractors are completed by the district's maintenance department. Emergency repairs are typically resolved immediately by either school custodians or district maintenance specialists.

## Improvements to Facilities

The following facility improvements are being made districtwide where necessary: wi-Fi infrastructure upgrade and technology upgrades, sidewalk replacement (on-site tripping hazards), portable ramp replacement, portable HVAC units for portable classrooms of various sites, re-sealing of gym floor, solar installation projects, PA system upgrades, paint exterior of entire school, paint interior of entire school, replace/repair swamp coolers, replace intermittent failing HVAC units, replacement of portable siding and paint, replace ramps, general installation of TVs in classrooms.

Additionally, the following facility improvements are planned specifically for our school: relocation of AC unit for the Kindergarten building.

## Facility Inspection Results

Ongoing maintenance by site custodians and district trade specialists ensures facilities remain up-to-date and provide adequate space for students and staff. The district's maintenance department inspects facilities and operating systems at each school at least twice a year. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). Fontana Unified School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs. The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. Facilities information was collected in October 2020.

## Teacher Assignment

The district recruits and employs qualified credentialed teachers. This chart shows information about teacher credentials.

	Teacher Credential Status			
	School			District
	18-19	19-20	20-21	20-21
Fully Credentialed	32	31	30	215
Without Full Credentials	0	0	0	2
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	40

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

	Misassignments/Vacancies

## Instructional Materials (School Year 2020-21)

### Sufficiency of Instructional Materials

Fontana Unified School District held a public hearing on December 9, 2020, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, foreign language materials, visual and performing arts materials, and/or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects, Foreign Languages, Health, and Visual and Performing Arts, for use in the classroom and to take home.

### Adoption of Instructional Materials

Textbooks and supplementary materials are adopted for grades Kindergarten through eight according to a cycle developed by the California Department of Education. This process is in place to ensure that textbooks used in schools are the most current available.

The California Department of Education has state approved curriculum for grades Kindergarten through eight. There is no state approved curriculum for grades nine through twelve, these materials are locally determined. Additionally, there is no state approved curriculum for Transitional Kindergarten, these materials are also locally determined. A modified kindergarten curriculum intended to be age and developmentally appropriate is used for all schools in the district that offer Transitional Kindergarten.

Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The district schools use the most current materials for most subjects and grade levels. Adoption of History/Social Studies curriculum for grades Kindergarten through five and adoption of Science curriculum for all grades is currently pending.

### History/Social Studies & Science Curricula

The district is in the process of transitioning to new curricula and instructional materials for the subjects of History/Social Studies and Science. The district has reviewed the materials that are currently in-use and determined them to be aligned with the state standards. The History/Social Studies adoption for grades six through twelve was completed in 2019, adoption for grades four and five was completed in 2020, and grades Kindergarten through three is planned for adoption in 2021. The adoption of Science curriculum for all grades is planned for the 2021-2022 school year.

### Quality, Currency, & Availability

The table displays information collected in December 2020 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

District-Adopted Textbooks						
Data Collected: December 2020

## Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

## California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based and paper-pencil assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. There is also an optional Standards-based Test in Spanish (STS) for Reading/Language Arts (RLA). Additionally, the new California Science Test (CAST) based on the Next Generation Science Standards for California Public Schools (CA NGSS) was first administered operationally in the 2018–2019 school year.

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student’s academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student’s academic achievement, including such measures as District assessments, classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

Due to the COVID-19 pandemic, Executive Order N-30-20 was issued in the spring of 2020. This order waived the requirement for statewide academic testing of Mathematics, English Language Arts, and Science for the 2019–2020 school year. The most current data available to report is from the 2018-19 school year and is reflected in the tables.

The first table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

California Assessment of Student Performance and Progress									
Percent of Students Meeting or Exceeding the State Standards									
Subject	School			District			State		
	2017	2018	2019	2017	2018	2019	2017	2018	2019
English Language Arts/Literacy (Grades 3-8 and 11)	53	63	61	33	38	41	48	50	50
Mathematics (Grades 3-8 and 11)	44	48	48	19	23	26	37	38	48
Science (Grades 5, 8, and 10)	--	--	35	--	--	18	--	--	30

The second table displays information on overall student achievement of the school by subject for student groups with all grade levels combined.

California Assessment of Student Performance and Progress

Socioeconomically Disadvantaged	252	252	100.00	0.00	55.16	252	100.00	0.00	42.06
English Learners	98	98	100.00	0.00	61.22	98	100.00	0.00	47.96
Students with Disabilities	45	45	100.00	0.00	15.56	44	97.78	2.22	18.18

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

### Physical Fitness (School Year 2019-20)

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students who meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "Healthy Fitness Zone" (HFZ).

The table displays the percent of students at the school meeting fitness standards by grade level, for the most recent testing period. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued. This order waived the requirement to administer the physical fitness performance test results for the 2019–2020 school year. The most current data available to report is from the 2018-19 school year and is reflected in the table. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pfi/>.

Percentage of Students in Healthy Fitness Zone			
2018-19			
Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	19.8%	23.1%	11.6%

*\*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.*

## Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

### Parent Involvement (School Year 2020-21)

Parents are encouraged to get involved in Dorothy Grant Innovations Academy's learning community. School events such as Back-to-School Night, Open House, Family Nights with an academic focus, and the PTA Book Fairs provide opportunities for parents to interact with school staff while supporting their child's academic programs. Teachers also host a number of sessions on various education, social, and parenting topics throughout the year. The School Site Council, Parent Advisory Committee, Parent Teacher Association, English Learner Advisory Council, and Title I Committee provide opportunities for parents to have input on curricular programs and financial planning.

All school-to-home communication is provided in both English and Spanish. The PTA school website is updated monthly to provide parents information regarding pertinent information about school activities and programs, special announcements, and educational activities. School staff send personalized letters home to parents to address individual concerns. TeleParent™, an Internet-based telephone messaging system, forwards personalized messages from school staff to each student's home. The principal makes announcements and shares information related to classroom activities, lessons, and upcoming events over the intercom system. The school marquee features current events announcements and reminders.

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension and expulsion rates; and
- Other local measures on the sense of safety.

### Discipline & Climate for Learning

Students at Dorothy Grant Innovations Academy are guided by school rules and behavior expectations established by the Fontana Unified School District and which promote respect, cooperation, courtesy, and acceptance of others. School staff explain and discuss the various types of appropriate and inappropriate school behavior.

At the beginning of the school year, school rules and behavioral expectations are provided in a student/parent handbook. The principal conducts discipline assemblies during the first few weeks of school to share district policies, discuss appropriate behavior, and explain consequences for poor behavior. Students are reminded of their individual responsibilities in maintaining good citizenship at grade level assemblies and in classroom presentations led by the principal.

A progressive discipline approach is taken when students are having difficulty following school rules. Disciplinary measures are administered by class teachers for minor infractions. Students who continue making poor choices in conduct are referred to the principal for more serious consequences and parent conferences.

Administrators take into consideration the nature of the situation and past behavioral trends when addressing consequences and positive behavior strategies.

Every student has the opportunity to be recognized for outstanding academic efforts and demonstrating good citizenship. Bernie Bucks are earned by students who demonstrate good citizenship and for random incentives such as maintaining 100% attendance during testing weeks. Every Friday, students who have earned Bernie Bucks may deposit their "bucks" into the school drawing for special prizes and verbal recognition in classroom presentations. Students achieving outstanding efforts in academics, attendance, and citizenship are recognized at awards assemblies at the end of each trimester.

After-school programs feature fun activities that promote fitness, academic enrichment, and community service. Students are invited to participate in a structured, on-campus afterschool program sponsored by the Fontana Parks and Recreation Department, which meets daily until 6:00p.m. Activities include academic enrichment, tutoring, homework support, and fun recreational games.

## Suspensions & Expulsions

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2019–2020 suspensions and expulsions rate data are not comparable to prior year data. Since there was not in-person learning for the entire 2019–2020 school year, it would be inappropriate to make any comparisons of the suspensions and expulsions rates in the 2019–2020 school year to the rates in prior school years.

## Safe School Plan (School Year 2020-21)

In 1998, the comprehensive Safe School Plan was developed by the Safe Schools Committee and the Office of Child Welfare and Attendance to comply with Senate Bill 187 of 1997. The plan was last reviewed, updated, and discussed with school staff in August 2020. An updated copy is available to the public at the school office.

Highlights of the Safe School Plan include:

- Safe Schools' Plan of Action
- Comprehensive disaster and crisis plan
- State and local discipline policies
- Intervention programs for at-risk students
- Addressing student aggression
- Visible authoritative presence on campus
- Safe transportation
- Communication strategies
- Conflict resolution

## Counseling & Support Staff (School Year 2019-20)

Dorothy Grant Innovations Academy makes every effort to meet the academic, emotional, and physical needs of its students. The school employs highly qualified personnel to provide counseling and support services.

Student Intervention Teams (SIT) address issues that affect the ability of a student to perform at his or her best in school and recommend various intervention strategies/services to meet the unique needs of referred students.

The district's Special Education Local Plan Areas (SELPA) provides a wide range of specialized instructional and support services for students with exceptional needs. The SELPA employs highly qualified professionals and special education experts to meet the unique needs of each child based upon their IEP. Dorothy Grant Innovations Academy's special education staff collaborates with the district's SELPA to coordinate designated instruction and services (DIS), special education programs, and resource programs to ensure students receive instruction and services to support their individual learning needs.

The charts display support staff available to students at the school in the reporting year. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

## Staff Development

All training and curriculum development activities at Fontana Unified School District revolve around the Common Core State Standards, including Next Generation Science Standards, Professional Learning Communities, 21st Century Learning and Multi-Tiered System of Supports. The schools supplement district training with site-based training focused on meeting the needs of the school, based upon student assessment results and teacher input. The district plans, implements, and evaluates professional development opportunities for administrators and teachers. Staff members are encouraged to attend district sponsored training and professional development programs.

All staff complete mandatory training online through Target Solutions annually. The mandated training covers the following topics: Child Abuse, Mandated Reporter Training, School Bullying, Anti-Harassment Training, Maintaining Professional Staff/Student Boundaries, Bloodborne Pathogens Safety, and Recognizing and Preventing Youth Suicide.

New and veteran teachers are offered support through Peer Assistance & Review and Induction programs. Each program pairs participating teachers with qualified mentoring teachers in order to gain skills and knowledge to be most effective in the classroom. Paraprofessionals receive specialized training to support current classroom curricula and effective instructional strategies. Classified support staff receive job-related training from department supervisors and district representatives.

Beginning with the 2018-2019 school year, three days are dedicated annually to district-wide staff development. Prior to the 2018-2019 school year, the district dedicated two days annually. All school sites have early student-release days on Wednesdays; half of this time is devoted to professional development for school site staff, resulting in nineteen partial days for professional learning. Additional professional development opportunities take place by releasing teachers from their classroom with substitutes. To ensure this doesn't impact the instructional program, every effort is made to limit teachers being released from their classroom for professional development to no more than five days per school year. Teachers and classified staff are also offered additional optional professional development opportunities outside of their work day and during winter break, summer break, and Saturdays. Additional compensation is awarded for attendance in order to encourage staff to take advantage of opportunities available during non-contracted times.

The table displays the number of days that were professional development opportunities available to staff. Additionally, multiple partial day opportunities are available for staff. Not all staff will attend each professional development opportunity. Different opportunities are offered to staff throughout the year based on job description and development needs.
