### SARC Information

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.
- To view our SARC online, please visit our website or scan the QR code to the right.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

### District Vision

#### Our Mission

"Every Student Successful. Engaging Schools. Empowered Communities."

#### Our Shared Vision

Fontana Unified is a community united to ensure that every student is prepared for success in college, career, and life.

#### Our Core Values

- Teamwork and Respect
- Excellence and Achievement
- Responsibility and Accountability
- Equity and Opportunity
- Dedication and Commitment

## Our Three Cornerstones of Success

- Every Student Successful: Schools demonstrate a relentless focus on preparing students for success in college, career and life.
- Engaging Schools: Schools have the high-quality resources, leaders and teachers to provide the comprehensive learning environment required for a world-class education.
- Empowered Communities: Schools cultivate healthy environments and meaningful partnerships with families and communities to support student achievement in and out of school.

## Our Goals and Budget Priorities

- Increase proficiency and strategic thinking
- Promote multilingualism and multiculturalism
- Increase graduation and college and career readiness
- Cultivate effective teachers and leaders
- Engage students and decrease dropout rates
- Strengthen family and community engagement
- Promote healthy environments

## School Mission Statement

Through a challenging curricula and rigorous assessments, we collectively develop and graduate inquiring, and knowledgeable scholars who can cultivate an indefatigable and peaceable world through intercultural understanding and interconnectedness.

## School Profile (School Year 2020-21)

Jurupa Hills High School opened its doors in the fall of 2010. The school is one of five high schools in the Fontana Unified School District, and is located approximately 50 miles east of Los Angeles in Fontana, at the foot of the Jurupa Hills. The school is accredited by the Western Association of Schools and Colleges.

Jurupa Hills High School offers a comprehensive and varied curriculum within the following departments: Applied Technology, Business and Computer Education, Consumer Science, English, English Language Learners, Modern Language, Special Education, Mathematics, Physical Education, Science, Social Studies, and Visual and Performing Arts. Special programs offered include MYP, IB, AVID, and CTE.

Fontana Unified schools are located in San Bernardino county, California. The state of California has been heavily impacted by the COVID-19 pandemic and most schools in the state are participating in full distance learning and some with a hybrid of distance learning and in-person learning. Every county in California is assigned to a tier based on its test positivity and adjusted case rate. San Bernardino County is currently in the Widespread (Purple) Tier, the strictest of tiers. Under the California guidance, schools may not reopen for in-person instruction until the county has been in the Substantial (Red) tier for at least two weeks. As a result, all Fontana Unified schools will continue to educate students via distance learning until further notice.

## Principal's Message

I'd like to welcome you to Jurupa Hills High School's Annual School Accountability Report Card. Thank you for taking time to explore it. The opportunity to do so has presented itself in the form of compliance with Proposition 98, which identifies the school accountability report card as a required component in every California school.

It is the belief of Jurupa Hills High School that students can and will excel in an environment that is tailored to their needs. We are a school of intercultural understanding and global learning. Although we recognize our areas of need and concern, we are extremely proud that we continue to meet all academic goals established by the state, district and federal government.

The hard-working staff is both skilled and dedicated to the success of all students. We are fortunate to have many experienced and knowledgeable teachers eager to make a difference for our students. We believe in a student centered approach, which provides an atmosphere in which a child's social, emotional, and intellectual needs are equally important. Thank you for helping Jurupa Hills High School change with the times and maintain flexibility.

Our vision is to meet the demands of an ever-changing world by developing principled, knowledgeable, and empathetic global citizens.

The COVID-19 pandemic has required the closure of in-person learning at our school. While we all would rather be learning in-person together; I am so proud of our students, families, and teachers for how well they have handled the transition to distance learning. I look forward to being able to see all of the students in-person again as soon as it is safe to do so. Until then, we will continue to get through this unprecedented challenging time together virtually.

## School Attendance

Attendance is critical to academic achievement, and regular daily attendance is a priority at Fontana Unified School District. Attendance, tardiness, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities, including proper notification of when and why students are absent. Absence reports are regularly reviewed by the school. Parents are informed of absences through phone calls and letters sent home.

The COVID-19 pandemic has created the necessity of schools to provide students with a quality education while maintaining the health and safety of all students and school staff. Currently, schools are providing distance learning instruction to all students. Students work with teachers from their school online. Teachers provide daily live interaction with students, using a variety of tools to help students learn and complete their assignments. Students are responsible for participating in group classes as well as completing work on their own. They are expected to complete and turn in all assignments for grading. Additionally, the daily schedule allocates designated "Student Support Time" where teachers are available to answer student and parent questions and students with identified needs can receive additional instruction and support.

## School Enrollment

The charts display student enrollment broken down by student group and grade.

### Enrollment Trend by Grade Level

	2017-18	2018-19	2019-20

## Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## Teacher Assignment

The district recruits and employs qualified credentialed teachers. This chart shows information about teacher credentials.

	Teacher Credential Status			District
	School			
	18-19	19-20	20-21	20-21
Fully Credentialed	95	92	92	215
Without Full Credentials	1	4	5	2
Teaching Outside Subject Area of Competence (with full credential)	0	0	7	40

Misassignments refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire semester or year.

	Misassignments/Vacancies		
	18-19	19-20	20-21
Misassignments of Teachers of English Learners	0	0	0
Misassignments of Teachers (other)	0	0	0
<b>Total Misassignments of Teachers</b>	<b>0</b>	<b>0</b>	<b>0</b>
Vacant Teacher Positions	0	1	1

## School Facilities (School Year 2020-21)

### Age and Condition of Facilities

Jurupa Hills High School provides a clean, safe, and functional environment for learning through proper facilities maintenance and campus supervision. School facilities were built in 2010. Ongoing maintenance ensures facilities remain up-to-date and provide adequate space for students and staff.

Jurupa Hills High School has 79 permanent classrooms and does not have any portable classrooms at this time. We also have a 100 student Lecture Hall, a TV Studio, a Library, a Recording Studio, an outside sports stadium and tennis courts with baseball and softball fields.

New projects include fencing on the sides of the baseball fields, softball fields, and in front of the school, a new shot put, and discus ring. New sound systems will be installed in the gym, central quad area, and our Lecture Hall. The Recording Studio will get new recording equipment, sinks installed in the art room, and sound-proofing on the walls.

### Campus Supervision

The school has taken measurable steps to ensure students, staff, and visitors are safe and that sufficient supervision is provided at all times. In the morning as students arrive and after school when students are leaving campus, campus security officers are strategically placed at designated locations and administrators and counselors circulate around the campus monitoring student behavior. During lunch, campus security officers and the administrators share supervision of the cafeteria and common gathering areas. A school resource officer is available to assist administrators with supervision and disciplinary enforcement.

A closed-circuit surveillance camera system is in place throughout the school to increase visibility and security of exterior areas of the campus. The school is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

### Campus Maintenance

School custodial staff and the district's maintenance department work together to ensure classroom, student facilities, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. The Fontana Unified School District publishes a comprehensive custodial manual which outlines cleaning standards and prioritization guidelines.

Jurupa Hills High School currently has two full-time day custodians and six evening custodians who are responsible for keeping classrooms and facilities clean, safe and in good repair and working order. The site administrators, campus security, and custodians maintain communication daily using hand-held radios to quickly address maintenance and safety issues.

Daily housekeeping and cleaning takes place in the evening. When students and staff are on school break, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

An electronic work order process is in place for non-routine repairs and maintenance projects. School staff submits work orders to the school secretary who forwards all work orders to the district's maintenance department which identifies the scope of the project and then assigns the project to either district maintenance technicians/specialists or site custodians.

### Improvements to Facilities

The following facility improvements are being made districtwide where necessary: wi-Fi infrastructure upgrade and technology upgrades, sidewalk replacement (on-site tripping hazards), portable ramp replacement, portable HVAC units for portable classrooms of various sites, re-sealing of gym floor, solar installation projects, PA system upgrades, paint exterior of entire school, paint interior of entire school, replace/repair swamp coolers, replace intermittent failing HVAC units, replacement of portable siding and paint, replace ramps, general installation of TVs in classrooms.

Additionally, the following facility improvements are planned specifically for our school: creation of a costume shop for the theater, and replace synthetic turf field, purchase turf maintenance equipment for the football field.

### Facility Inspection Results

Ongoing maintenance by site custodians and district trade specialists ensures facilities remain up-to-date and provide adequate space for students and staff. The district's maintenance department inspects facilities and operating systems at each school at least twice a year. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). Fontana Unified School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs.

The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. Facilities information was collected in October 2020.

## Instructional Materials (School Year 2020-21)

### *Sufficiency of Instructional Materials*

Fontana Unified School District held a public hearing on December 9, 2020, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, foreign language materials, visual and performing arts materials, and/or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects, Foreign Languages, Health, and Visual and Performing Arts, for use in the classroom and to take home.

### *Adoption of Instructional Materials*

Textbooks and supplementary materials are adopted for grades Kindergarten through eight according to a cycle developed by the California Department of Education. This process is in place to ensure that textbooks used in schools are the most current available.

The California Department of Education has state approved curriculum for grades Kindergarten through eight. There is no state approved curriculum for grades nine through twelve, these materials are locally determined. Additionally, there is no state approved curriculum for Transitional Kindergarten, these materials are also locally determined. A modified kindergarten curriculum intended to be age and developmentally appropriate is used for all schools in the district that offer Transitional Kindergarten.

Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The district schools use the most current materials for most subjects and grade levels. Adoption of History/Social Studies curriculum for grades Kindergarten through five and adoption of Science curriculum for all grades is currently pending.

### *History/Social Studies & Science Curricula*

The district is in the process of transitioning to new curricula and instructional materials for the subjects of History/Social Studies and Science. The district has reviewed the materials that are currently in-use and determined them to be aligned with the state standards. The History/Social Studies adoption for grades six through twelve was completed in 2019, adoption for grades four and five was completed in 2020, and grades Kindergarten through three is planned for adoption in 2021. The adoption of Science curriculum for all grades is planned for the 2021-2022 school year.

## Quality, Currency, & Availability

## Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

### California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) includes computer-based and paper-pencil assessments. The computer-based assessments are the Smarter Balanced English Language Arts/Literacy (ELA) and Mathematics tests, administered to grades three through eight and eleven. There is also an optional Standards-based Test in Spanish (STS) for Reading/Language Arts (RLA). Additionally, the new California Science Test (CAST) based on the Next Generation Science Standards for California Public Schools (CA NGSS) was first administered operationally in the 2018–2019 school year.

The Smarter Balanced Assessment System utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Smarter Balanced summative assessment results include student scores, achievement levels, and descriptors that describe performance. These assessment results are only one of several tools used to measure a student's academic performance in ELA/Literacy and mathematics. Smarter Balanced assessment results are most appropriately interpreted alongside other available information about a student's academic achievement, including such measures as District assessments, classroom assignments and grades, classrooms tests, report cards, and teacher feedback.

Due to the COVID-19 pandemic, Executive Order N-30-20 was issued in the spring of 2020. This order waived the requirement for statewide academic testing of Mathematics, English Language Arts, and Science for the 2019–2020 school year. The most current data available to report is from the 2018-19 school year and is reflected in the tables.

The first table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

California Assessment of Student Performance and Progress									
Percent of Students Meeting or Exceeding the State Standards									
Subject	School			District			State		
	2017	2018	2019	2017	2018	2019	2017	2018	2019
English Language Arts/Literacy (Grades 3-8 and 11)	41	55	56	33	38	41	48	50	50
Mathematics (Grades 3-8 and 11)	16	23	27	19	23	26	37	38	27
Science (Grades 5, 8, and 10)	--	--	23	--	--	18	--	--	30

The second table displays information on overall student achievement of the school by subject for student groups with all grade levels combined.

California Assessment of Student Performance and Progress

White	18	18	100.00	0.00	72.22	18	100.00	0.00	33.33
Socioeconomically Disadvantaged	375	373	99.47	0.53	54.69	374	99.73	0.27	25.13
English Learners	101	98	97.03	2.97	22.45	101	100.00	0.00	2.97
Students with Disabilities	52	51	98.08	1.92	7.84	51	98.08	1.92	0

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the California Alternate Assessment. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## College Entrance Info

### University of California

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work.

For general admissions requirements, please visit the UC Admissions Information Web page at <http://admission.universityofcalifornia.edu/>.

### California State University

Eligibility for admission to the CSU is determined by three factors:

- Specific high school courses
- Grades in specified courses and test scores
- Graduation from high school

Some campuses have higher standards for particular majors or students who live outside the local campus area.

Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information see the CSU Web page at <http://www.calstate.edu/admission/admission.shtml>.

## UC/CSU Course Completion

Students are encouraged to take University of California/California State University (UC/CSU) preparatory courses if they plan to attend a four-year university. All students must pass each course with a grade no lower than a 'C'.

UC/CSU Course Enrollment	
	Percentage
Students Enrolled in Courses Required for UC/CSU Admission (2019-20)	98.72%
Graduates Who Completed All Courses Required for UC/CSU Admission (2018-19)	52.50%

\* Duplicated Count (one student can be enrolled in several courses).

## Career Technical Education (CTE) Programs (School Year 2019-20)

Students are introduced to career technical education programs through a wide array of career pathways. Students receive career guidance individually, in small groups, and in workshop format to address career pathways, career exploration opportunities, post-secondary training, and courses of study. Career education courses comply with state-adopted Career Technical Education Standards and Academic Content Standards and are integrated into all Career Technical Education Courses. These courses blend college preparatory academics with rigorous career technical education courses that are centered around an industry sector, pathway, and career theme. Individual student assessment of work readiness skills takes place through end-of-course

exams, course-required projects, and classroom observation in Career Technical Courses. ## State Priority: Other Pupil Achievement

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

## Physical Fitness (School Year 2019-20)

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students who meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "Healthy Fitness Zone" (HFZ).

The table displays the percent of students at the school meeting fitness standards by grade level, for the most recent testing period. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued. This order waived the requirement to administer the physical fitness performance test results for the 2019–2020 school year. The most current data available to report is from the 2018-19 school year and is reflected in the table. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

### Percentage of Students in Healthy Fitness Zone 2018-19

Grade Level	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	16.0%	32.2%	39.9%

\*Scores are not disclosed when fewer than 10 students are tested in a grade level and/or subgroup.

## Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

## Parent Involvement (School Year 2020-21)

Parents are encouraged to get involved with Jurupa Hills High School's learning community by volunteering at the school, attending school events, or sharing in the decision-making process. Parents are also invited to help supervise the campus during the school day, at school and sporting events. Parents can interact with faculty staff by appointment, during Back-to-School night, Individual Education Plans (IEP's), Student Intervention Team (SIT) meetings, or 504 meetings to support their student(s) interests and efforts.

The Guidance Department hosts several sessions for parents including but not limited to A-G UC/CSU requirements, Career Exploration, Interventions, etc. The School Site Council (SSC), English Language Advisory Council (ELAC), Parent Organization Meetings (Spartan Parent Group), and booster clubs provide opportunities for parents to have input on curricular and/or extra-curricular programs and school budget. Monthly, the Principal and Assistant Principals meet with parents informally during Coffee with the Principal in the morning and in the evening with the Spartan Parent Group to answer questions and address topics regarding the school in general. In addition, parents are also kept informed about daily events and/or activities through Blackboard, jhills.org, various Facebook pages, Instagram and Twitter.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

## Dropout & Graduation Rates

Intervention strategies used to promote attendance and reduce dropout rates include:

- \* Guidance Staff: Focus on students at risk of not graduating due to poor grades, test scores, attendance, or behavior
- \* Intensive monitoring of all at-risk students
- \* After school math tutoring
- \* IM1 intervention class
- \* Math bridge classes for IM2 and IM3
- \* Read 180: Reading intervention
- \* Computer Based Instruction (CBI): Credit Recovery

The chart displays dropout and graduation rates for the most recent three-year period. Data from the 2019-20 school year was unavailable at the time of publication. Note: The National Center for Education Statistics graduation rate is provided in the table.

### Graduation & Dropout Rates

	Dropout			Graduation		
	16-17	17-18	18-19	16-17	17-18	18-19
School	2.8%	3.3%	2.2%	94.8%	92.8%	95.0%
District	6.0%	6.6%	4.8%	90.6%	90.0%	91.5%
State	9.1%	9.6%	9.0%	82.7%	83.0%	84.5%

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension and expulsion rates; and
- Other local measures on the sense of safety.

## Discipline & Climate for Learning

Jurupa Hills High School has fully implemented School-Wide Positive Behavior Supports (SWPBS) and is in the fourth year of implementation. Our policies recognize that all students have the inalienable right to attend classes on a campus that is safe and secure. Our policies are specifically geared towards promoting a productive educational environment in which students can focus on both academic and personal growth. Students are encouraged to reflect on the importance of self-discipline, self-reflection regarding their mistakes, and the development of positive resolution skills when faced with challenging situations.

Each member of the staff at Jurupa Hills High School takes a proactive approach in helping our students reflect on positive choices that will contribute to a successful and productive learning environment. All behavior expectations, policies, and consequences are clearly outlined in our "Scholar Handbook." The handbook is reviewed with students at the beginning of the year through homeroom classes. Parents and students are required to sign and return an acknowledgement page which confirms that both parents and students understand the outlined policies. Except with more egregious incidents, a progressive behavior modification approach is followed at both the classroom and office level. Teachers and administrators take into consideration students' behavioral trends as well as the seriousness of individual infractions when determining consequences. Student discipline is always dealt with in a fair, firm, and consistent manner.

### Co-Curricular Activities:

Jurupa Hills High School provides a wide variety of co-curricular activities for its students. A member of the Mountain Valley League, Jurupa Hills High School fields athletic teams in football, volleyball, basketball, cross country, soccer, tennis, wrestling, track, softball, and baseball. Jurupa Hills also has a pep squad.

Performing groups are available in the areas of drama, vocal music, and instrumental music. Students are also able to pursue their interest through a wide variety of clubs. Students and staff are able to improve and utilize their computer technology skills in campus labs. Guidance is available through the Guidance Counseling Office, as well as through the Career Center.

## Suspensions & Expulsions

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2019–2020 suspensions and expulsions rate data are not comparable to prior year data. Since there was not in-person learning for the entire 2019–2020 school year, it would be inappropriate to make any comparisons of the suspensions and expulsions rates in the 2019–2020 school year to the rates in prior school years.

	Suspensions & Expulsions					
	Suspensions			Expulsions		
	17-18	18-19	19-20	17-18	18-19	19-20
School	8.17	7.00	1.80	0.00	0.00	0.00
District	3.88	3.20	2.00	0.04	0.10	0.03
State	3.51	3.50	2.50	0.08	0.10	0.05

## Safe School Plan (School Year 2020-21)

In 1998, the comprehensive Safe School Plan was developed by the Safe Schools Committee and the Office of Child Welfare and Attendance to comply with Senate Bill 187 of 1997. The plan was last reviewed, updated, and discussed with school staff in August 2020. An updated copy is available to the public at the school office.

Highlights of the Safe School Plan include:

- Safe Schools' Plan of Action
- Comprehensive disaster and crisis plan
- State and local discipline policies
- Intervention programs for at-risk students
- Addressing student aggression
- Visible authoritative presence on campus
- Safe transportation
- Communication strategies
- Conflict resolution

## Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

## Class Size

The table indicates the average class size by subject area, as well as the number of classrooms that fall into each size category.

	Class Size Distribution

## Counseling & Support Staff (School Year 2019-20)

Jurupa Hills High School provides professional, highly qualified staff, comprised of staff who provide services and support centered on the student's academic, personal, social, and career/college needs for graduation and beyond.

Students receive personal/social services in addition to their comprehensive academic and post-secondary planning services. The CSSPs meet and intervene with at-risk students regularly to address issues that affect the ability of a student to perform at his or her best in school. Using a collaborative approach with other professionals at the school, the CSSPs evaluate and recommend various intervention strategies and services to meet the unique needs of the student.

The district's Special Education Local Plan Areas (SELPA) provides a wide range of specialized instructional and support services for students with exceptional needs. The SELPA employs highly qualified professionals and special education experts to meet the unique needs of each child based upon their IEP. Jurupa Hills High's specialized academic instructional staff collaborates with the district's SELPA to coordinate designated instruction and services (DIS), special education programs, and resource programs to ensure students receive instruction and services to support their individual learning needs.

The charts display support staff available to students at the school in the reporting year. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Academic Counselor to Student Ratio	
2019-20	
	Average Number of Students per Academic Counselor
Academic Counselor(s)	324

Counseling & Support Services Staff

## Staff Development

All training and curriculum development activities at Fontana Unified School District revolve around the Common Core State Standards, including Next Generation Science Standards, Professional Learning Communities, 21st Century Learning and Multi-Tiered System of Supports. The schools supplement district training with site-based training focused on meeting the needs of the school, based upon student assessment results and teacher input. The district plans, implements, and evaluates professional development opportunities for administrators and teachers. Staff members are encouraged to attend district sponsored training and professional development programs.

All staff complete mandatory training online through Target Solutions annually. The mandated training covers the following topics: Child Abuse, Mandated Reporter Training, School Bullying, Anti-Harassment Training, Maintaining Professional Staff/Student Boundaries, Bloodborne Pathogens Safety, and Recognizing and Preventing Youth Suicide.

New and veteran teachers are offered support through Peer Assistance & Review and Induction programs. Each program pairs participating teachers with qualified mentoring teachers in order to gain skills and knowledge to be most effective in the classroom. Paraprofessionals receive specialized training to support current classroom curricula and effective instructional strategies. Classified support staff receive job-related training from department supervisors and district representatives.

Beginning with the 2018-2019 school year, three days are dedicated annually to district-wide staff development. Prior to the 2018-2019 school year, the district dedicated two days annually. All school sites have early student-release days on Wednesdays; half of this time is devoted to professional development for school site staff, resulting in nineteen partial days for professional learning. Additional professional development opportunities take place by releasing teachers from their classroom with substitutes. To ensure this doesn't impact the instructional program, every effort is made to limit teachers being released from their classroom for professional development to no more than five days per school year. Teachers and classified staff are also offered additional optional professional development opportunities outside of their work day and during winter break, summer break, and Saturdays. Additional compensation is awarded for attendance in order to encourage staff to take advantage of opportunities available during non-contracted times.

The table displays the number of days that were professional development opportunities available to staff. Additionally, multiple partial day opportunities are available for staff. Not all staff will attend each professional development opportunity. Different opportunities are offered to staff throughout the year based on job description and development needs.

Professional Development			
	18-19	19-20	20-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	2	2

## Additional Internet Access/Public Libraries

Parents may access the Internet at any of the county's public libraries. Libraries in the local area include:

- Fontana Branch Library: (909) 822-2321
- Fontana Lewis Library & Technology Center: (909) 574-4500
- Kaiser High School Public Library: (909) 357-5900 ext. 8029
- Summit High School Public Library: (909) 357-5950 ext. 3024

## Advanced Placement Classes (School Year 2019-20)

Advanced placement (AP) programs give students an opportunity to take college-level courses and exams while still in high school. Students who receive a 3, 4, or 5 on their final AP exams qualify for college credit at most of the nation's colleges.

### IB & Honors Courses

Jurupa Hills High School is unique in the district by offering the two-year International Baccalaureate Diploma Program. Many students took one or two courses other than the IB Program of study. These students are working to complete for the full diploma. Those who do earn a diploma will receive preferential admission and credit at most colleges and universities.

Additionally, Jurupa Hills High School offers English Honors in ninth and tenth grades and Trigonometry/Pre-Calculus as preparatory courses to college-level work.

## District Revenue Sources (Fiscal Year 2019-20)

In addition to general fund state funding, Fontana Unified School District receives state and federal categorical funding for the following special programs:

- After School Learning & Safe Neighborhood Partnerships
- CA School-age Families Education Program
- California Peer Assistance & Review
- Community Based Tutoring
- Economic Impact Aid (EIA)
- Gifted & Talented Education (GATE)
- Lottery: Instructional Materials

## District Expenditures (Fiscal Year 2018-19)

At the time this report was published, the most recent financial and salary comparison data from the State of California was for the 2018-19 school year. The figures shown in the Expenditures Per Pupil table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state. The California Department of Education issued guidance to the district in August 2018 regarding how to calculate school-level per-pupil expenditures.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.
