## SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at http://www.cde.ca.gov/ta/ac/sal.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at http://www.cde.ca.gov/fg/aa/c/l.
- For additional information about the school, parents and community members should contact the school principal or the district office.

## DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners)

CALIFORNIA SCHOOL DASHBOARD
The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at
https://www.caschooldashboard.org.

## DISTRICT STATEMENTS

VISION AND PURPOSE
The Emery Unified School District is committed to provide to each student a rigorous education in a welcoming, safe school environment that supports student learning and where there is tolerance, respect and engagement with people from different cultures, backgrounds, and beliefs.

GUIDING PRINCIPLES

- We hold high academic, social and professional expectations
- We create a sense of family
- We inspire and support innovation to end racist and classist practices

DISTRICT GOALS

- All students will improve their academic performance each year
- All students will be prepared for college and career
- All students will exhibit strong critical thinking, problem-solving, and creative skills
- All students will demonstrate leadership skills and participate in community and public service
- All students will exhibit advocacy for justice and principles that respect the dignity of all persons
- All students will have an opportunity to become fluent in a second language

SCHOOL PROFILE
Emeryville is a 1.2 square mile bustling urban city in the heart of the San Francisco Area, wedged between Berkeley, Oakland, and the Bay. Not unlike most Bay Area cities, the population of 9,000 residents and workforce of 25,000 daily commuters is divided culturally, ethnically, economically, and geographically.

ENROLLMENT BY STUDENT GROUP
The charts display student enrollment broken down by student group.

CONDITIONS OF LEARNING
The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

TEACHER ASSIGNMENT
The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CaISAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp.

## SCHOOL FACILITIES

Emery Secondary School was originally constructed in 1966 and is comprised of 23 classrooms, a cafeteria, a library, a staff lounge, a computer lab, a gym, a shop room, a theatre room, a music room, and an art room.
Cleaning Process
The principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

## Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs.

## INSTRUCTIONAL MATERIALS

The school district holds a public hearing annually to determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are provided standards-aligned textbooks or instructional materials, or both, in core subjects to use. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, ensuring the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

TEXTBOOKS
The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

## PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

## CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at
https://www.caaspp-elpac.cde.ca.gov/caaspp/. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.
Note: The value " $\mathrm{N} / \mathrm{T}$ " indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS
The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

## COLLEGE ENTRANCE REQUIREMENTS

- University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.

- California State University (CSU)

Eligibility for admission to the CSU is determined by the three factors of specific high school courses, grades in specified courses and test scores, and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

## UCICSU COURSE COMPLETION

Students are encouraged to take University of California/California State University courses if they plan to attend a four-year university. All students must pass each course with a grade of "C" or better each semester.

| UC/CSU Course Enrollment |  |
| :--- | :---: |
| Students Enrolled in Courses Required for UC/CSU Admission 2021-22 | 97.73 |
| Graduates Who Completed All Courses Required for UC/CSU Admission 2020-21 | 76.32 |

## CAREER TECHNICAL EDUCATION PARTICIPATION

This table displays information about participation in the school's Career Technical Education (CTE) programs.

| What percentage of the school's CTE courses are sequenced or articulated between the school <br> and institutions of post secondary education? | 100.0 |

## CAREER TECHNICAL EDUCATION PROGRAMS

The school's career planning program prepares students to succeed in real-world contexts through the development of conceptual thinking, effective communication, and the ability to apply knowledge and skills learned in the classroom. Instructors at the school direct efforts toward establishing school-to-work structures within each curricular area for all students, including those with special needs.

## OTHER OUTCOMES

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

## PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.
The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at http://www.cde.ca.gov/ta/tg/pf/.

PUPIL ENGAGEMENT
The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM
Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

| Chronic Absenteeism Rate (Percentage) |  |  |  |  |
| :--- | :---: | :---: | :---: | :---: |

DROPOUT PREVENTION
Intervention strategies used to promote attendance and reduce dropout rates include parent conferences, credit recovery opportunities, intervention, School Attendance Review Board (SARB), independent study, and referral to continuation high schools.

## PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

## PARENT INVOLVEMENT

Emery Secondary School realizes the positive correlation between parent involvement and successful students. For this reason, Emery Secondary continually searches for avenues to involve parents and community to participate in the education of our students. Emery Secondary School is committed to encouraging a strong parent-staff bond. This mutual involvement will help to promote the social, emotional and academic growth of the students. The entire staff is available to lend guidance, answer questions, and provide assistance whenever the need arises. Emery Secondary School is convinced that much of its success is the product of parent volunteers who take an active role in their children's education.
We have some programs were created to give parents and community members an opportunity to express their ideas, concerns, and feelings. They include:

- English Language Advisory Committee
- Parent Teacher Organization (PTO)

The Parent Teacher Organization is charged with the responsibility of supporting the welfare of all students. The PTO also offers workshops for parents The Emery Education Foundation provides community partnerships with many local and non-local businesses.
Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Emery Secondary School at (510) 601-4000 ext. 2. The district's website (www.emeryusd.k12.ca.us) provides a variety of resources for parents, students and community members.

SCHOOL CLIMATE
The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SCHOOL SAFETY
In 1998, the comprehensive Safe School Plan was developed by the Safe Schools Committee and the Office of Child Welfare and Attendance to comply with Senate Bill 187 of 1997. The plan was last reviewed, updated, and discussed with school staff in September 2022. An updated copy is available to the public at the school office.
Highlights of the Safe School Plan include:

- Safe Schools' Plan of Action
- Comprehensive disaster and crisis plan
- State and local discipline policies
- Intervention programs for at-risk students
- Addressing student aggression
- Visible authoritative presence on campus
- Safe transportation
- Communication strategies
- Conflict resolution

SUSPENSIONS AND EXPULSIONS
The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2019-2020 and 2020-2021 suspension and expulsion rate data are not comparable to prior year data. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

OTHER SARC INFORMATION
The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS
For additional research materials and Internet availability, students are encouraged to visit county and city public libraries, which contain numerous computer workstations.
PROFESSIONAL DEVELOPMENT
Staff development is supported for classroom implementation through Beginning Teachers Support and Assessment (BTSA) Support Providers. The district has offered two staff development days for the past three years. In addition, the district staff had an opportunity to take courses from a district-curated selection of virtual professional development options in the summer and an additional 130-course collection available to teachers during the 2020-2021 school year.

PROFESSIONAL DEVELOPMENT DAYS OFFERED
The table displays the number of annual professional development days offered during the most recent three-year period.

- SpEd IDEA
- Titte III Limited English Proficiency
- Title I
- SpEd Low Incidence
- SpEd Early Intervention
- Title II Teacher Quality
- SpEd Preschool
- After School Learning
- Special Education
- Lottery Instructional Materials

## SCHOOL AND DISTRICT EXPENDITURES

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state. Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor. The California Department of Education issued guidance to the district in August 2018 regarding how to calculate school-level per-pupil expenditures.
For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education \& Per-pupil Spending Web page at http://www.cde.ca.gov/ds/fd/ec/. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries \& Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: http://www.ed-data.org.

DISCIPLINE AND CLIMATE FOR LEARNING
Emery Secondary School believes that meaningful learning must occur in a safe, disciplined, and positive environment. Students at Emery Secondary School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy, and acceptance of others.
The goal of Emery Secondary School's discipline program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior. Parents and students are informed of discipline policies at the beginning of each school year through the Student and Parent Handbook. If students are having attendance problems, discipline issues, or their grades start slipping, additional parent meetings are scheduled.
