### SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.
- To view our SARC online, please visit our website or scan the QR code above.

### DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

## DISTRICT STATEMENTS

### MISSION STATEMENT

The mission of the Compton Unified School District is to empower leaders to lead, teachers to teach and students to learn by fostering an environment that encourages leaders and teachers to be visionary, innovative and accountable for the achievement of all students.

### GOALS

Promote a safe and healthy environment in every school.

Provide equal education for every child.

Ensure that every child has access to technological opportunities.

Continue to maintain high expectations and high student achievement, and hold personnel accountable for student success.

Improve team efforts by enhancing employee communications and collaboration.

Embrace and celebrate the diversity of our district.

Build, foster and promote partnerships with parents and the community.

Maintain facilities; plan and promote capital improvements.

### CORE BELIEFS

We believe all children will learn at higher levels.

We believe schools have an enormous impact on children's lives.

We believe that all children shall be educated in a safe and orderly environment.

We believe all children will reach their learning potential and that the achievement gap can be eliminated.

We believe the Compton Unified School District will become a high performing organization.

### SCHOOL PROFILE

Compton Unified School District is located in the south-central region of Los Angeles County, California. CUSD encompasses the city of Compton and portions of the cities of Carson and Los Angeles. The district currently serves nearly 26,000 students at 36 sites and is in the midst of a dramatic turnaround, marked by increases in student achievement rates, a graduation rate nearing 90%, dramatic facilities improvements, and a focus on STEAM throughout all schools. The mission of the Compton Unified School District is to empower leaders to lead, teachers to teach and students to learn by fostering an environment that encourages leaders and teachers to be visionary, innovative and accountable for the achievement of all students.

### ENROLLMENT BY STUDENT GROUP

The charts display student enrollment broken down by student group.

Enrollment by Student Group

10th	252
11th	211
12th	214
Total	951

## CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

**SCHOOL FACILITIES**

Centennial High School, originally constructed in 1954, is currently comprised of 74 classrooms, one library, three computer labs, one staff lounge, a professional development room and three athletic fields.

**Cleaning Process**

The school provides a safe and clean environment for students, staff, and volunteers. The district’s Board of Education has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the school’s custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

**Maintenance and Repair**

A scheduled maintenance program is administered by the school’s custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Compton Unified School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

Compton Unified School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs.

**INSTRUCTIONAL MATERIALS**

The Los Angeles County Office of Education inspects all school sites in the district at the start of the each school year, pursuant to the settlement of Williams vs. the State of California. This thorough investigation was conducted to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent resolution on the sufficiency of textbooks is October 11, 2022.

All students, including English Learners, are required to be given their own individual textbooks and/or instructional materials (in core subjects), for use in the classroom and to take home. Additionally, all textbooks and instructional materials used within the district must be aligned with the California State Content Standards and Frameworks, with final approval by the Board of Education.

The chart displays data collected in January 2023 in regards to the textbooks in use at the school during the current school year (2022-23).

**TEXTBOOKS**

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

**PUPIL ACHIEVEMENT AND OUTCOMES**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

**CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS**

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

**ASSESSMENT RESULTS**

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

## COLLEGE ENTRANCE REQUIREMENTS

### - University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### - California State University (CSU)

Eligibility for admission to the CSU is determined by the three factors of specific high school courses, grades in specified courses and test scores, and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

## UC/CSU COURSE COMPLETION

Students are encouraged to take University of California/California State University courses if they plan to attend a four-year university. All students must pass each course with a grade of "C" or better each semester.

UC/CSU Course Enrollment	
Students Enrolled in Courses Required for UC/CSU Admission 2021-22	97.79
Graduates Who Completed All Courses Required for UC/CSU Admission 2020-21	41.67

## CAREER TECHNICAL EDUCATION PARTICIPATION

This table displays information about participation in the school's Career Technical Education (CTE) programs.

2021-22 Career Technical Education Participation	
How many of the school's pupils participated in CTE programs?	626
What percentage of the school's pupils completed a CTE program and earned a high school diploma?	35.3
What percentage of the school's CTE courses are sequenced or articulated between the school and institutions of post secondary education?	

## CAREER TECHNICAL EDUCATION PROGRAMS

It is the goal of Centennial High School to help students understand the importance of Career Technical Education and experience how employees apply career technical and academic learning to work situations. The school's programs focus on preparing students to think conceptually, communicate effectively, and apply skills in real-world contexts. Curriculum and instructional strategies foster critical thinking, problem solving, leadership, and workforce-readiness. Academic Standards are reinforced in every CTE/ROP classroom.

Centennial High School students may participate in the school's Regional Occupational Program (ROP) and Career Technical Education courses offered at the high school and offsite classes, overseen by the site principal and the ROP/CTE Senior Director. Special needs students may participate in ROP/CTE classes and the WorkAbility I Training Program, offered through the California Department of Education. WorkAbility I provides Centennial High School with a Transitional Work Counselor and is designed to promote career awareness while students complete their secondary education program. This program provides students with opportunities for job shadowing, paid and non-paid work experience, and ongoing support and guidance from vocational personnel.

The school addresses the needs of all students, as well as those in career preparation, through guidance and counseling from school personnel regarding career paths and courses of study.

- Audio Production
- Video Production
- ROP CNA/Home Health Aide Program
- Food and Nutrition I and II
- ROP Restaurant Occupations
- Introduction to Home Economics
- Introduction to Industrial and Technology Careers
- Computer Literacy
- Medical Terminology
- Work Experience Education
- ROP Auto Specialization
- ROP 2+2 Agreements with Community Colleges
- National Academy Foundation (NAF)

All courses incorporate state-adopted CTE model curriculum standards, meet district graduation requirements, and/or satisfy A-G entrance requirements of the CSU/UC systems. All courses are evaluated through a combination of:

- mastery of employment readiness standards
- results of career/technical skills assessments
- participation in career/technical student organizations and/or
- placement of program completers in employment, post-secondary education, or the military.

For more information about Career/Technical Education and/or ROP, please contact the CTE/ROP department of Compton Unified School District at (310) 898-6470.

## OTHER OUTCOMES

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

**PHYSICAL FITNESS ASSESSMENT**

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

2021-22 Physical Fitness Test Participation

**PUPIL ENGAGEMENT**

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

**CHRONIC ABSENTEEISM**

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)				
2021-22	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate (Percentage)

**DROPOUT PREVENTION**

Intervention strategies used to promote attendance and reduce dropout rates include parent conferences, credit recovery opportunities, intervention, School Attendance Review Board (SARB), independent study, and referral to continuation high schools.

**PARENT ENGAGEMENT**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**PARENT INVOLVEMENT**

Parents play an important role at Centennial High School through active participation and involvement in booster clubs, School Site Council, and the English Learner Advisory Committee. A parent newsletter is mailed out monthly to encourage parent involvement.

The school benefits from the support of local businesses and institutions including, but not limited to: The Centennial High School Alumni Association, El Camino Compton Center, California State University, Dominguez Hills, University of California, Irvine, and California State University, Long Beach.

**SCHOOL CLIMATE**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**SCHOOL SAFETY**

The safety of students and staff is a primary concern of all Compton Unified schools and staff. All visitors to the campus must sign in at the school office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among volunteers, teachers, and administrators.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake, and lock-down, are held on a rotating basis throughout the year.

During the COVID-19 pandemic, protecting the health and safety of staff, students and families is a priority. The district has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, use of personal protective equipment, symptom screening, social distancing, hygiene practices, testing, and responding to positive cases.

To further safeguard the well-being of students and staff, a comprehensive School Site Safety Plan has been developed by the School Site Council. The Safety Plan is annually updated in the fall; the last review was performed in September, 2022. Any revisions and updates are reviewed immediately with the staff. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Disaster procedures/routine & emergency drills
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School-wide dress code
- Policies related to suspension/expulsion
- Sexual harassment policy
- Safe ingress & egress of pupils, parents/guardians, & school employees

**SUSPENSIONS AND EXPULSIONS**

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2019–2020 and 2020-2021 suspension and expulsion rate data are not comparable to prior year data. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

Suspension and Expulsion Rates

**OTHER SARC INFORMATION**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS**

For additional research materials and Internet availability, students are encouraged to visit the Compton Public Library, which contains numerous computer workstations.

**PROFESSIONAL DEVELOPMENT**

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. For the last three school years, there were three district-wide staff development days. Teachers also participate in staff development during minimum days. Topics have included: Common Core Shifts, Asking and Creating Text Dependent Questions, Academic Vocabulary, Guided reading, Close Reading, Academic Conversations, Writing Articulations, Cooperative Learning, Explicit Direct Instruction, RACER to tackle Constructive responses, Distance Learning, COVID-19 safety.

**PROFESSIONAL DEVELOPMENT DAYS OFFERED**

The table displays the number of annual professional development days offered during the most recent three-year period.

**COUNSELING AND SUPPORT SERVICES**

In addition to academics, the staff strives to assist students in their social and personal development. Staff members are trained to recognize at-risk behavior in all students. The school values the importance of on-site counseling and has procedures in place to ensure that students receive the services they need. Psychologists and counselors are devoted to helping students deal with problems and assisting them to reach positive goals.

### CLASS SIZE DISTRIBUTION

The table indicates the average class size by grade level or subject area, as well as the number of classrooms that fall into each size category.  
 \*Please note that the "Other" category may display data for multi-grade level classes.

Class Size Distribution By Subject												
	Average Class Size			1-20 Students			21-32 Students			33+ Students

Fine and Performing Arts	0
Foreign Language	2
Mathematics	1
Science	0
Social Science	6
Totals	12
Percent of Students in AP Courses	18.1

### DISTRICT REVENUE SOURCES

In addition to general state funding, Compton Unified School District received state and federal funding for the following categorical, special education, and support programs:

- Peer Assistance & Review
- Economic Impact Aid (EIA)
- Tobacco Use Prevention Education (TUPE)
- Title I, Part A: Basic Grant
- Title II, Parts A & D: Teacher Quality & Technology
- Title IV, Part A: Safe & Drug Free Schools & Communities
- Title V, Part A: Innovative Programs

### SCHOOL AND DISTRICT EXPENDITURES

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state. Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor. The California Department of Education issued guidance to the district in August 2018 regarding how to calculate school-level per-pupil expenditures.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.
