#### SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.

- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.

- For additional information about the school, parents and community members should contact the school principal or the district office.

#### DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

**DISTRICT STATEMENTS**

**DISTRICT MISSION**

To inspire ALL students to extraordinary achievement every day.

**DISTRICT VISION**

An unwavering focus on innovative and engaging learning experiences that prepare students for college, career pathways and life success.

**SCHOOL STATEMENTS**

**MESSAGE FROM THE SCHOOL ADMINISTRATION**

In accordance with Proposition 98, every school in California is required to issue an annual "Accountability Report Card." We are proud of Disney School and welcome this opportunity to tell you more about us.

Disney School has an ongoing tradition of academic excellence and was recently recognized as a California Distinguished School. We celebrate all cultures and languages. The school population consists of students and staff with rich multicultural and ethnically diverse backgrounds. The students, parents, staff, and community have joined together to assure success for all students.

The staff at Disney School believes each child is unique and deserving of a rich educational environment. Each student has access to a rigorous core curriculum in language arts, mathematics, science, and social science.

The hard working staff is both skilled and dedicated to the success of our students. We are fortunate to have many experienced and knowledgeable teachers eager to make a difference for our students. We believe in a student-centered approach, which provides an atmosphere in which a child's social, emotional, and intellectual needs are important. All students have special talents and are given the opportunities to develop those talents.

Disney School involves parents and community members in every aspect of our school. We believe that parents, community members, and staff must work together to support the educational needs of all students. We are very proud of our fine traditions at Disney School.

**SCHOOL PROFILE**

Located in the Orange County City of Anaheim, the Magnolia School District educates pre-kindergarten through sixth grade students from the diverse communities of west Anaheim and Stanton. There are currently nine elementary schools (pre-K-6) in the district. Students from the Magnolia School District attend junior high and high schools in the Anaheim Union High School District. School programs and curricular objectives emphasizing English Language Development, strong community partnerships, and character education are hallmarks of the Magnolia School District.

Walt Disney School's goal is to provide an engaging learning environment with strong parental involvement where all students are able to participate in activities that promote academic achievement, personal growth, and high self-esteem. Walt Disney School is proud of their academic achievements.

**ENROLLMENT BY STUDENT GROUP**

## CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

**SCHOOL FACILITIES**

**Age and Condition of Facilities**

Walt Disney Elementary School was designed in 1956. Walt Disney School is just under ten acres and the school facilities consist of a total of 21 permanent classrooms, 16 portable classrooms, a library, a playground area, a multipurpose room, a kitchen and an administration office building. The school facilities are well-maintained and provide adequate space for students and staff. The facility strongly supports teaching and learning through its ample classroom and playground space.

**Improvements to Facilities**

The site has a solar panel structure that provides both power and shade to the facility. New LED lighting has been installed to existing parking light fixtures. The school had siding portable repairs completed this summer. Walt Disney Elementary School has completed their HVAC and lighting upgrades. The District plans to continue their preventative maintenance program for the playground blacktops, parking lots, and roofs.

**Cleaning Process**

The District's governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district office. The site administration team works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

**Maintenance and Repair**

The maintenance and repair of the school facility is the number one priority of the District's Maintenance, Operations, Transportation, and Facilities Department. The District's maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

**INSTRUCTIONAL MATERIALS**

Magnolia School District held a Public Hearing on September 15, 2022, and determined that it has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district are aligned with the California State Standards and have been approved by the Board of Education. The most recent textbooks (as of September 2022) for all schools in the Magnolia School District are indicated.

**TEXTBOOKS**

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

**PUPIL ACHIEVEMENT AND OUTCOMES**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

**CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS**

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at

<https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science

- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

#### ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

**OTHER OUTCOMES**

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

**PHYSICAL FITNESS ASSESSMENT**

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

2021-22 Physical Fitness Test Participation

**PUPIL ENGAGEMENT**

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

**CHRONIC ABSENTEEISM**

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)				
2021-22	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate (Percentage)

**PARENT ENGAGEMENT**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**PARENT INVOLVEMENT**

Parents and the community are very supportive of the education program at Disney School. The school community has made generous contributions of time and money to numerous programs and activities.

Parents are encouraged to be involved in their child's education through volunteering in the classroom, as well as attending schoolwide events held throughout the year. These events include Back-to-School Night, Open House, parent conferences, and student performances. The community is informed of happenings at the school through regular phone messages and our online calendar.

**SCHOOL CLIMATE**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**SCHOOL SAFETY**

Safety of students and staff is a primary concern of the school. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed and updated annually by the School Safety Committee. All revisions are communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, lockdown, and disaster drills are conducted on a regular basis throughout the school year. There is a designated area for student drop off and pick up. Additionally, visitors must check in at the school office before entering the school campus.

**SUSPENSIONS AND EXPULSIONS**

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2019–2020 and 2020-2021 suspension and expulsion rate data are not comparable to prior year data. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

#### OTHER SARC INFORMATION

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

#### ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in Orange County, which contain numerous computer workstations. For more information, hours, and locations please visit: [www.ocpl.org](http://www.ocpl.org).

#### PROFESSIONAL DEVELOPMENT

Magnolia School District offers six staff development days annually when teachers may participate in a variety of activities to increase their professional knowledge and skills. Topics included: Student and Staff Wellness with the introduction to Trauma Informed Care, Calm Classroom Training, Teacher Toolbox Sessions with an introduction to the MSD Professional Learning Hub, Illuminate (Testing and Data Management System), Tools for Student Progress, iReady - End of Year Testing Procedures.

#### PROFESSIONAL DEVELOPMENT DAYS OFFERED

The table displays the number of annual professional development days offered during the most recent three-year period.

#### AVAILABLE COUNSELING AND SUPPORT STAFF

The chart displays the support staff available to students at the school. Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

#### COUNSELING AND SUPPORT SERVICES

The school and district employ qualified personnel to provide support services. An active Student Success Team (SST) meets frequently to address issues that affect the ability of a student to perform at his or her best in school. Using a collaborative approach, members of the SST evaluate and recommend various intervention strategies and services to meet the unique needs of the referred student.

With the Boys and Girls Club and the City of Anaheim, Magnolia School District offers the Boys and Girls club after-school program and the MSD Expanded Learning programs. These programs, which operate between the hours of 3:00 and 6:00 p.m., offers a safe and structured environment for our students after school. Half of the time is spent on homework help in the areas of reading, writing, and math. The other half is comprised of enrichment activities in the areas of arts, recreation, and character education.

Magnolia School District also partners with Orange County's Families and Children Together (FaCT) to fund the Salk Community Family Resource Center located on the Dr. Jonas Salk campus. FaCT is a partnership among more than 60 community-based social service agencies and the County of Orange Social Services Agency. The Salk Community Family Resource Center provides counseling, parent education, after-school programs, health education and services, support groups, community outreach, and referrals to community agencies for our families.

School Readiness is an important focus of the Magnolia School District, enabling students to be fully prepared for successful enrollment in the public education system. The district, as well as county, state, and federal agencies, offer a variety of programs at schools throughout the district, targeting families with children from pre-natal to four years of age. All programs are coordinated by the School Readiness Center located at the district office.

Magnolia School District offers the Gifted and Talented Education (GATE) program to students who have been recognized as capable of attaining high levels of achievement by their teachers and identified through state testing programs. Students in the GATE program (grades 4-6) receive specialized instruction in a clustered classroom.

For students whose primary language is not English and who have limited English proficiency, Magnolia School District offers programs to help them quickly acquire the English language and prepare to meet state academic standards. Students are identified as English Learners (EL) through the English Language Proficiency Assessment for

California (EPLAC). Students are placed with teachers who are appropriately credentialed to teach English Learners and receive instruction in English based on their level of English acquisition. Students receive 30 minutes of English Language Development daily.

Disney School offers support to students whose test results indicate they need additional assistance to achieve grade level proficiency. When a student is academically at-risk, our teachers meet to brainstorm intervention strategies.

Interventions may include modification of instruction in the regular classroom. We maintain open communication with parents regarding their child's progress throughout the school year and welcome parental involvement when developing intervention plans.

Disney School provides instruction to all students in the least restrictive environment possible. Students with special needs are accommodated with a variety of options.

A team consisting of the parent, school administrator, general education teacher, psychologist, speech and language therapist, and special education teacher develops an Individual Education Plan (IEP). The IEP defines the individualized instruction a child will receive which may include placement in a Special Day Class or services from a Resource Specialist, Adaptive Physical Education Specialist, Occupational Therapist, and/or Speech and Language Specialist. The Magnolia School District offers state preschool programs at some of its sites, as well as a regional program at Lord Baden-Powell and Dr. Jonas Salk Schools servicing students with severe handicaps and/or multiple disabilities from six surrounding school districts.

#### DISCIPLINE AND CLIMATE FOR LEARNING

The primary focus at Walt Disney School is learning. A warm, nurturing atmosphere and an effective learning program provide the basis for our discipline program. Our school staff supports an environment that teaches students, through the daily curriculum, the skills to resolve conflicts and take responsibility for their decisions. Discipline guidelines, developed by teachers, are administered in a fair, firm, and consistent manner. Regular, positive reinforcement rewards students for citizenship, achievement, and attendance. School rules are shared with students and parents during classroom orientation, and at Back-to-School Night.

Walt Disney School implements the Positive Behavior Intervention and Supports program. Students are encouraged in positive behavioral habits in the classroom and on the playground. The Walt Disney staff establishes behavioral expectations and utilizes positive reinforcement.

At award assemblies, we recognize outstanding students who have practiced the excellent character traits. Students are also recognized for other achievements, including academics, perfect attendance, and citizenship.

Walt Disney School participates in the PAL® (Peer Assistance Leadership) program, which enables students (grades 3-6) to develop conflict resolution skills. These trained student leaders act as role models for the entire student body.

On the playground, PAL® students identify and mediate conflicts, and subsequently write a report of their learnings to share with a teacher. Through the implementation of this program, we have experienced a more safe and peaceful campus.
