#### SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

#### DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

## DISTRICT STATEMENTS

- Strengthen family and community engagement
- Promote healthy environments

### SCHOOL STATEMENTS

#### Principal's Message:

I'd like to welcome you to Tokay Elementary School's Annual School Accountability Report Card. It provides valuable information about our instructional programs, academic achievement, instructional resources, school safety and supervision, professional resources, and parent involvement opportunities. If you have any questions about the information disclosed in this report, please feel free to contact me.

Our top priority at Tokay Elementary School is to have our students' access rigorous curriculum that will challenge them to become successful adults. With this focus, we plan our curriculum, instruction, assessments, and professional development to better meet the needs of all our students. This year we took on the challenge of becoming A STEM formation school. All staff members are actively participating in STEM training to better enhance student knowledge and using Discovery Education.

We strive to hold both staff and students accountable for their work as we provide targeted, individualized programs to ensure our students are achieving grade level expectations. Teachers use a variety of assessments to work with students as they dive into the common core standards and produce college and career ready scholars. In addition, we strive to motivate students through various clubs offered afterschool like student council, drama club, running club, and robotics club.

### SCHOOL PROFILE

The staff of Tokay Elementary School are dedicated to providing an instructional program designed to meet the individual needs of each student, ensuring that academic programs promote academic success and proficiency. A standards-based curriculum is offered in a supportive, caring, and nurturing environment that fosters high expectations and continued achievement for students, staff, and parents. Professional Learning Communities (PLCs) play a large role in the collaborations of teachers at Tokay. Teachers meet regularly. During PLC, we focus on student learning, collaboration, and data results in an effort to meet the Common Core State Standards. We adjust instructional practices and interventions as needed. Part of the focus for PLC's this year is to continue the learning innovations program(A2i) and the school started as a STEM formation school through Discovery Education.

A state preschool program is on campus and open to eligible 3-5 year olds. The preschool program offers a child-centered curriculum focusing on physical, cognitive and social-emotional growth.

#### CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**TEACHER ASSIGNMENT**

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

#### SCHOOL FACILITIES

##### Age and Condition of Facilities

Tokay Elementary School staff and students take pride in their beautiful, well-cared-for campus. A clean, safe, and functional environment for learning through proper facilities maintenance and campus supervision is strongly emphasized in daily routines. Built in 1982, the school sits on 10 acres and includes a library, 24 permanent classrooms, 13 portable classrooms, an outdoor stage, a staff lounge, a teacher's workroom, and a cafeteria/multipurpose room. The school also has a Reading Garden for students to use.

##### Campus Supervision

Tokay Elementary School takes campus security and student safety very seriously and relies heavily upon strategic placement of adult supervision. As students arrive on campus, they are required to report to either the cafeteria where breakfast is served or the entrance gate; one school site aide is assigned to each of these areas. Ten minutes before instruction begins, students (both arriving and those in the cafeteria) are directed to the playground and monitored by teachers on duty until class begins. During recess, an assigned school site aide monitors playground activities.

Seven school site aides share supervision of the cafeteria and playground areas. At the end of the day, teachers for grades K-2 escort students to the gate and release students to authorized parents/guardians. The remaining grades are escorted by their teachers to the school's main exit area. The principal and assigned teachers monitor the exit area in the morning and afternoon to ensure students arrive/depart in a safe and orderly manner.

Tokay Elementary School is a closed campus. During school hours, there is only a single entrance gate for students, staff, and visitors; all visitors must sign in at the school's office and wear identification badges while on school grounds.

##### Campus Maintenance

School custodial staff and the district's maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors.

The Fontana Unified School District publishes a comprehensive custodial manual which outlines cleaning standards and prioritization guidelines. Each custodial staff member receives job training and is provided a copy of the district's cleaning manual which defines individual responsibilities regarding maintenance procedures, daily responsibilities, performance expectations, and safety measures.

One full-time day custodian, one full-time evening custodian, and one part-time evening custodian are assigned to Tokay Elementary and are responsible for keeping classrooms and facilities clean, safe, and in good repair and working order. Each morning before students arrive on campus, the day custodian inspects facilities for graffiti, safety hazards or other conditions that need attention prior to students and staff entering school grounds. Restrooms are checked frequently throughout the day and cleaned as needed. The principal and custodians communicate regularly regarding campus maintenance and safety issues. Daily housekeeping and cleaning takes place in the evening. When students and staff are on school break, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

An electronic work order process is in place for non-routine school repairs and maintenance projects. School staff submit work orders to the school secretary who forwards all work orders to the district's maintenance department. Upon receipt, the district maintenance department identifies the scope of the project and then assigns the project to either district maintenance technicians/specialists or site custodians. Each site custodian is capable of handling general repairs; projects requiring specialists or third party contractors are completed by the district's maintenance department. Emergency repairs are typically resolved immediately by either school custodians or district maintenance specialists.

#### Improvements to Facilities

The following facility improvements are being made districtwide where necessary: wi-Fi infrastructure upgrade and technology upgrades, sidewalk replacement (on-site tripping hazards). Additionally, the following facility improvements were made specifically for our school: add floor drains in the kitchen, installation of dome mirror in the office, Prop 39 replacement of multiple HVAC systems.

#### Facility Inspection Results

Ongoing maintenance by site custodians and district trade specialists ensures facilities remain up-to-date and provide adequate space for students and staff. The district's maintenance department inspects facilities and operating systems at each school at least twice a year. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). Fontana Unified School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs.

#### INSTRUCTIONAL MATERIALS

##### Sufficiency of Instructional Materials

Fontana Unified School District held a public hearing on September 21, 2022, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, foreign language materials, visual and performing arts materials, and/or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects, Foreign Languages, Health, and Visual and Performing Arts, for use in the classroom and to take home.

##### Adoption of Instructional Materials

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

TEXTBOOKS

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

#### PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

#### CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

#### ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

#### PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

**PUPIL ENGAGEMENT**

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

**CHRONIC ABSENTEEISM**

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

<b>Chronic Absenteeism Rate (Percentage)</b>

#### PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### PARENT INVOLVEMENT

Parents are encouraged to get involved in Tokay Elementary School's learning community. Parents may volunteer to help in their child's classroom or the school office. Events such as Back-to-School Night, awards ceremonies, the annual Talent Show, and Celebration of Writers provide opportunities for parents to interact with school staff while supporting their child's academic programs.

The School Site Council, Parent Teacher Association, and English Learner Advisory Council provide opportunities for parents to have input on curricular programs and financial planning.

Parent education workshops are held frequently throughout the year. Teachers encourage parents to take advantage of training sessions covering educational topics related to language arts, math, and homework. Parents are provided with the strategies and skills to successfully support and continue their child's academic progress at home. Tokay Elementary School makes a significant effort to promote two-way communication between parents and teachers. The Tokay website, [www.fusdweb.com](http://www.fusdweb.com), highlights school events and activities, and the Tiger Tales newspaper is issued one time per month featuring programs and events for the school site.

The principal issues a student/parent handbook which features school policies and procedures. Bulletins are sent home as needed throughout the school year to share special announcements and event information. Parents may check the school marquee daily for last-minute reminders and important notices.

TeleParent is the school's Internet-based telephone messaging system that forwards personalized messages to each student's home. On occasion, personalized letters from school staff are sent home to address specific issues.

#### SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### SCHOOL SAFETY

The comprehensive Safe School Plan is developed by the Safe Schools Committee on an annual basis to comply with Senate Bill 187 of 1997 and is submitted to the District for approval. The plan was last reviewed, updated, and approved in August 2022. An updated copy is available to the public at the school office.

Highlights of the Safe School Plan include:

- Safe Schools' Plan of Action
- Comprehensive disaster and crisis plan
- State and local discipline policies
- Intervention programs for at-risk students
- Addressing student aggression
- Visible authoritative presence on campus
- Safe transportation
- Communication strategies
- Conflict resolution

**SUSPENSIONS AND EXPULSIONS**

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2019–2020 and 2020-2021 suspension and expulsion rate data are not comparable to prior year data. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

Suspension and Expulsion Rates

#### OTHER SARC INFORMATION

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

#### ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS

For additional research materials and Internet availability, students are encouraged to visit county and city public libraries, which contain numerous computer workstations.

#### PROFESSIONAL DEVELOPMENT

All training and curriculum development activities at Fontana Unified School District revolve around the Common Core State Standards, including Next Generation Science Standards, Professional Learning Communities, 21st Century Learning and Multi-Tiered System of Supports. The schools supplement district training with site-based training focused on meeting the needs of the school, based upon student assessment results and teacher input. The district plans, implements, and evaluates professional development opportunities for administrators and teachers. Staff members are encouraged to attend district sponsored training and professional development programs.

All staff completes mandatory training online through Target Solutions annually. The mandated training covers the following topics: Child Abuse, Mandated Reporter Training, School Bullying, Anti-Harassment Training, Maintaining Professional Staff/Student Boundaries, Bloodborne Pathogens Safety, and Recognizing and Preventing Youth Suicide.

New and veteran teachers are offered support through Peer Assistance and Review and Induction programs. Each program pairs participating teachers with qualified mentoring teachers in order to gain skills and knowledge to be most effective in the classroom. Paraprofessionals receive specialized training to support current classroom curricula and effective instructional strategies. Classified support staff receive job-related training from department supervisors and district representatives.

Three days are dedicated annually to district-wide staff development. All school sites have early student-release days on Wednesdays for PLC meetings, Staff collaboration, teacher prep time and professional development. Additional professional development opportunities take place by releasing teachers from their classroom with substitutes. To ensure this doesn't impact the instructional program, every effort is made to limit teachers being released from their classroom for professional development to no more than five - ten days per school year. Teachers and classified staff are also offered additional optional professional development opportunities outside of their work day and during winter break, summer break, and Saturdays. Additional compensation is awarded for attendance in order to encourage staff to take advantage of opportunities available during non-contracted times.

#### PROFESSIONAL DEVELOPMENT DAYS OFFERED

The table displays the number of annual professional development days offered during the most recent three-year period.

### COUNSELING AND SUPPORT SERVICES

Tokay Elementary School makes every effort to meet the academic, emotional, and physical needs of its students. The school employs highly qualified personnel to provide counseling and support services.

Student Intervention Teams (SIT) address issues that affect the ability of a student to perform at his or her best in school and recommend various intervention strategies/services to meet the unique needs of referred students.

The district's Special Education Local Plan Areas (SELPA) provides a wide range of specialized instructional and support services for students with exceptional needs. The SELPA employs highly qualified professionals and special education experts to meet the unique needs of each child based upon their IEP. Tokay Elementary School's special education staff collaborates with the district's SELPA to coordinate designated instruction and services (DIS), special education programs, and resource programs to ensure students receive instruction and services to support their individual learning needs.

### CLASS SIZE DISTRIBUTION

The table indicates the average class size by grade level or subject area, as well as the number of classrooms that fall into each size category.

\*Please note that the "Other" category may display data for multi-grade level classes.

### DISTRICT REVENUE SOURCES

In addition to general fund state funding, Fontana Unified School District receives state and federal categorical funding for the following special programs:

- After School Education
- Career Technical Education
- Extended Learning Opportunities
- Lottery: Instructional Materials
- Partnership Academies Program
- Special Education
- Supplementary Programs
- Title I, II, III, IV
- Transportation: Special Education

### SCHOOL AND DISTRICT EXPENDITURES

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state. Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor. The California Department of Education issued guidance to the district in August 2018 regarding how to calculate school-level per-pupil expenditures.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

### DISCIPLINE AND CLIMATE FOR LEARNING

Students at Tokay Elementary School are guided by school rules and behavior expectations that promote respect, cooperation, courtesy, and acceptance of others. School staff explain and discuss the various types of appropriate and inappropriate school behavior as well as the consequences for unacceptable conduct.

Teachers focus on differentiating instruction through their classroom management strategies to minimize classroom disruptions. The six Character Counts traits are also reinforced every day: Trustworthy, Respect, Responsibility, Fairness, Caring, and Citizenship.

A progressive discipline approach is taken when students have difficulty following school rules. Disciplinary measures and consequences are initially applied in the classroom. Students who continue to have difficulty following school rules are referred to the principal for further intervention which may include phone calls to parents, afterschool detention, recess detention, parent conferences, counseling, suspension, and in some cases expulsion. The principal considers past behavior trends when addressing consequences for poor choices in conduct.

At the beginning of the school year, school rules, behavior expectations, and consequences are shared with students at a Success Assembly and reinforced in classrooms by the teachers. Each student is provided a parent/student handbook which outlines district policies, school rules, and expected conduct. Two additional Success Assemblies are held at strategic times in the school year to remind students of their responsibility in maintaining good citizenship.
