SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at http://www.cde.ca.gov/ta/ac/sa/.

- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at http://www.cde.ca.gov/fg/aa/lc/.

- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at https://www.caschooldashboard.org.

DISTRICT STATEMENTS DISTRICT MISSION "Every Student Successful. Engaging Schools. Empowered Communities."

DISTRICT VISION

Fontana Unified is a community united to ensure that every student is prepared for success in college, career, and life.

- Promote multilingualism and multiculturalism
- Increase graduation and college and career readiness
- Cultivate effective teachers and leaders
- Engage students and decrease dropout rates
- Strengthen family and community engagement
- Promote healthy environments

SCHOOL STATEMENTS

Principal's Message:

The purpose of the School Accountability Report Card is to provide parents and community members with information about the school's instructional programs, student achievement and demographics. At Canyon Crest Elementary School, we strive for academic excellence and exemplary citizenship from all students. Our primary goal is to prepare students for middle school and beyond. We firmly believe that every student can succeed at high levels. Students come to Canyon Crest Elementary with diverse backgrounds, personalities, and learning styles. Recognizing this dynamic, we have developed programs and support services to meet the needs of all our learners. All factors that affect successful achievement are addressed to ensure students are prepared for middle school and beyond. With an emphasis on college and career readiness that integrates hands on STEAM opportunities, students are instructed on how they can best prepare at the elementary level. As a newly identified 21st century exemplar in 2019, Canyon Crest Elementary continues to seek out strategies to effectively develop critical life skills for all students.

We have tremendous support from our Canyon Crest community. We eagerly welcome family participation and engagement. We know that it is through the combined efforts of teachers, parents, students, and all support staff that we will effectively equip our students to ultimately become globally competitive.

I am honored to be a part of this wonderful community. I look forward to another successful year. Please do not hesitate to contact me if you have questions or feedback.

SCHOOL PROFILE

Canyon Crest Elementary School staff are focused on providing a caring, stimulating, educational environment centered around engaging academic, social, and emotional growth. Continuous evaluation, training, and refinement of instructional programs and intervention strategies enable students to receive class lessons at current learning levels while developing the necessary skills to meet and exceed grade level proficiency standards.

CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1): - Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching; - Pupils have access to standards-aligned instructional materials; and - School facilities are maintained in good repair.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp.

SCHOOL FACILITIES

Age and Condition of Facilities

Canyon Crest Elementary School provides a clean, safe, and attractive environment for learning through proper facilities maintenance and campus supervision. Built in 1992, the school sits on 5.5 acres and includes a library/media center, a staff lounge, 23 permanent classrooms, two computer labs housing 34 desktops each, one mobile cart with 32 computer laptops, eight portable classrooms, a teacher's workroom, and a cafeteria/multipurpose room.

Campus Supervision

As students arrive on campus each morning, duty aides and teachers share supervision of the cafeteria, entrance gates, and playground activities. During recess, duty aides are stationed on the playground to ensure students play safely. At lunch time, duty Aides supervise the cafeteria and monitor students on the playground. At the end of the day, teachers supervise student dismissal.

Canyon Crest Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

Maintenance and Repair

School custodial staff and the district's maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. The Fontana Unified School District publishes a comprehensive custodial manual which outlines cleaning standards and prioritization guidelines.

One full-time day custodian and one full-time evening custodian are assigned to Canyon Crest Elementary School and are responsible for keeping classrooms and facilities clean, safe, and in good repair and working order. Each morning the day custodian inspects facilities for graffiti, safety hazards or other conditions that need attention prior to students and staff entering school grounds.

Every restroom is checked after every recess through the collective efforts of yard duty aides, custodians, and administrators as a proactive measure to keep restrooms clean, safe, and stocked. The principal and custodians communicate daily regarding campus maintenance and safety issues.

Each custodial staff member receives job training and is provided a copy of the district's cleaning manual which defines individual responsibilities regarding maintenance procedures, daily responsibilities, performance expectations, and safety measures. Daily housekeeping and cleaning takes place in the evening. When students and staff are on intersession or school break, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

An electronic work order process is in place for non-routine school repairs and maintenance projects. School staff submit work orders to the school secretary who forwards all work orders to the principal for approval. After the principal approves the request, it is submitted to the district's maintenance department to identify the scope of each project and then assigns the project to either district maintenance technicians/specialists or site custodians. Each site custodian is capable of handling general repairs; projects requiring specialists or third party contractors are completed by the district's maintenance department. Emergency repairs are typically resolved immediately by either school custodians or district maintenance specialists.

Improvements to Facilities

The following facility improvements are being made districtwide where necessary: W-Fi infrastructure upgrade and technology upgrades, sidewalk replacement (on-site tripping hazards), portable ramp replacement, portable HVAC units for portable classrooms of various sites, re-sealing of gym floor, solar installation projects, PA system upgrades, paint exterior of entire school, paint interior of entire school, replace/repair swamp coolers, replace intermittent failing HVAC units, replacement of portable siding and paint, replace ramps, general installation of TVs in classrooms.

Additionally, the following facility improvements are planned specifically for our school: Prop 39 replacement of multiple HVAC systems, and add potable water swap to reclaimed water.

Facility Inspection Results

Ongoing maintenance by site custodians and district trade specialists ensures facilities remain up-to-date and provide adequate space for students and staff. The district's maintenance department inspects facilities and operating systems at each school at least twice a year. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). Fontana Unified School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs.

INSTRUCTIONAL MATERIALS

Sufficiency of Instructional Materials

Fontana Unified School District held a public hearing on September 21, 2022, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, foreign language materials, visual and performing arts materials, and/or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects, Foreign Languages, Health, and Visual and Performing Arts, for use in the classroom and to take home.

Adoption of Instructional Materials

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at https://www.caaspp-elpac.cde.ca.gov/caaspp/. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility. The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE table displays the percentage of students participating in each of the five fitness evaluations by grade.

PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

High school dropout and graduation rates
Chronic absenteeism rates

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

Parents are encouraged to be involved in their child's education at Canyon Crest Elementary School. Involvement opportunities exist for volunteer work, attending school events and sharing in the decision-making process. Parents are welcome to help in the classroom and the library.

Back-to-School Night, parent workshops, Student Intervention Team meetings and parent-teacher conferences provide opportunities for parents to interact with school staff while supporting their child's academic programs. The School Site Council, Parent Teacher Organization, English Learner Advisory Council, and GATE Parent meetings provide opportunities for parents to have input on curricular programs and financial planning.

The WatchD.O.G program (Dads of great students) continues to thrive at Canyon Crest Elementary School. Currently in our sixth year of implementation, we have observed the dramatic increase of 'Dad' participation on our campus. Our dads and grandpas have made a tremendous, positive impact on our school climate.

All school-to-home communication is provided in both English and Spanish. The principal sends notices sharing important announcements regarding attendance, school events, and student progress. Teachers prepare class letters updating parents on classroom activities, events, and homework. Personal notes or phone calls are made by school staff to discuss individual concerns. TeleParent is an Internet-based telephone messaging system that forwards personalized messages from school staff to each student's home. Other modes of communication include electronic flyers through Peachjar, Facebook, Twitter, and Instagram.

SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SCHOOL SAFETY

The comprehensive Safe School Plan is developed by the Safe Schools Committee on an annual basis to comply with Senate Bill 187 of 1997 and is submitted to the District for approval. The plan was last reviewed, updated, and approved in August 2022. An updated copy is available to the public at the school office. Highlights of the Safe School Plan include:

- · Safe Schools' Plan of Action
- Comprehensive disaster and crisis plan
- State and local discipline policies
- Intervention programs for at-risk students
- Addressing student aggression
- Visible authoritative presence on campus
- Safe transportation
- Communication strategies
- Conflict resolution

SUSPENSIONS AND EXPULSIONS The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2019–2020 and 2020-2021 suspension and expulsion rate data are not comparable to prior year data. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS

For additional research materials and Internet availability, students are encouraged to visit county and city public libraries, which contain numerous computer workstations.

PROFESSIONAL DEVELOPMENT

All training and curriculum development activities at Fontana Unified School District revolve around the Common Core State Standards, including Next Generation Science Standards, Professional Learning Communities, 21st Century Learning and Multi-Tiered System of Supports. The schools supplement district training with site-based training focused on meeting the needs of the school, based upon student assessment results and teacher input. The district plans, implements, and evaluates professional development opportunities for administrators and teachers. Staff members are encouraged to attend district sponsored training and professional development programs. All staff completes mandatory training online through Target Solutions annually. The mandated training covers the following topics: Child Abuse, Mandated Reporter Training, School Bullying, Anti-Harassment Training, Maintaining Professional Staff/Student Boundaries, Bloodborne Pathogens Safety, and Recognizing and Preventing Youth Suicide.

New and veteran teachers are offered support through Peer Assistance and Review and Induction programs. Each program pairs participating teachers with qualified mentoring teachers in order to gain skills and knowledge to be most effective in the classroom. Paraprofessionals receive specialized training to support current classroom curricula and effective instructional strategies. Classified support staff receive job-related training from department supervisors and district representatives.

Three days are dedicated annually to district-wide staff development. All school sites have early student-release days on Wednesdays for PLC meetings, Staff collaboration, teacher prep time and professional development. Additional professional development opportunities take place by releasing teachers from their classroom with substitutes. To ensure this doesn't impact the instructional program, every effort is made to limit teachers being released from their classroom for professional development to no more than five - ten days per school year. Teachers and classified staff are also offered additional optional professional development opportunities outside of their work day and during winter break, summer break, and Saturdays. Additional compensation is awarded for attendance in order to encourage staff to take advantage of opportunities available during non-contracted times.

COUNSELING AND SUPPORT SERVICES

Canyon Crest Elementary School makes every effort to meet the academic, emotional, and physical needs of its students. The school employs highly qualified personnel to provide counseling and support service to ensure that the social and emotional learning (SEL) is provided to all students. These skills help students acquire and apply the knowledge and attitudes to develop healthy identities, manage emotions and achieve personal and collective goals.

The Student Intervention Team (SIT) address concerns that affect the ability of a student to perform at his or her best in school and recommend various intervention strategies/services to meet the unique needs of referred students.

A school counselor provides monthly lessons to classrooms to support character development in the SEL and PBIS framework. The counselor provides small group counseling to review social skills and behavior expectations and supports the unique needs of individual students as required with prior parental written consent.

The district's Special Education Local Plan Areas (SELPA) provides a wide range of specialized instructional and support services for students with exceptional needs. The SELPA employs highly qualified professionals and special education experts to meet the unique needs of each child based upon their IEP. Canyon Crest Elementary special education staff collaborates with the district's SELPA to coordinate designated instruction and services (DIS), special education programs, and resource programs to ensure students receive instruction and services to support their individual learning needs.

SCHOOL AND DISTRICT EXPENDITURES

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state. Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor. The California Department of Education issued guidance to the district in August 2018 regarding how to calculate school-level per-pupil expenditures.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at http://www.cde.ca.gov/ds/fd/ec/. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at http://www.cde.ca.gov/ds/fd/cs/. DISCIPLINE AND CLIMATE FOR LEARNING

Students at Canyon Crest Elementary School are guided by district rules and behavior expectations established by the Fontana Unified School District which promote respect, cooperation, courtesy, and acceptance of others. We practice Positive Behavior Supports (PBS) which is a proactive discipline structure. It is a set of organizing practices rather than a specific program which employs tiers of instruction and intentionally seeks to build positive, flexible environments, based on the review of data. To that end, there is school wide commitment to PBS and teachers systematically review school wide expectations and social skills daily at a designated time with a targeted focus and lesson. All staff participate in acknowledging appropriate behaviors and build capacity for all to address both positive and negative student behavior.

At the start of each new school year, school wide expectations and classroom expectations are reviewed by the teacher. Assemblies are held to further review school wide expectations, standards, incentives, and consequences. A PBS parent workshop is used to introduce the structures to families. Each student is given a Parent/Student handbook which outlines district policies, school rules, and discipline policies. Parents read and sign the Home-School compact to confirm their commitment to actively participate in their child's learning process. Throughout the year, behavior expectations are celebrated weekly and assemblies are presented to review standards.
