SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

DISTRICT STATEMENTS

DISTRICT MISSION

"Every Student Successful. Engaging Schools. Empowered Communities."

DISTRICT VISION

Fontana Unified is a community united to ensure that every student is prepared for success in college, career, and life.

- Empowered Communities: Schools cultivate healthy environments and meaningful partnerships with families and communities to support student achievement in and out of school.

DISTRICT GOALS

- Increase proficiency and strategic thinking
- Promote multilingualism and multiculturalism
- Increase graduation and college and career readiness
- Cultivate effective teachers and leaders
- Engage students and decrease dropout rates
- Strengthen family and community engagement
- Promote healthy environments

SCHOOL STATEMENTS

Principal's Message:

Welcome to Date Elementary School! In accordance with Proposition 98 and the Classroom Instructional Improvement and Accountability Act, the purpose of the School Accountability Report Card is to provide parents and the community with information about academic achievements, adequacy of instructional materials, status of campus facilities, student safety practices, qualification of professional staff, and progress in meeting state standards. We are proud to share with you the details of Date Elementary School's instructional accountability and conditions for teaching and learning. Date has an outstanding and highly qualified staff dedicated to producing academically proficient students in a nurturing environment. We are confident that each student will leave Date elementary with the expectation that s/he will continue their education beyond high school, have had the opportunity to explore post-secondary opportunities and be equipped with 21st century skills. Date holds high academic expectations and social standards for every student while emphasizing the importance of character. We anticipate that your child will experience a productive and fulfilling year with our dynamic teachers and support staff. It is our desire to maintain open communication with our parents and community as we work to educate and nurture the world's greatest resource, our children. Our core values are centered upon our students and what is best for them at all times. Our Date community is committed to doing whatever it takes to foster and develop well-rounded students to excel academically and to be socially responsible by instilling a love of learning, fostering intrinsic motivation, and supporting success by setting achievable personal goals. Date students are encouraged to be critical thinkers, problem solvers, and effective leaders in the classroom and in the community.

SCHOOL PROFILE

Since its opening in Fall of 1997, Date Elementary School has continued to make great strides in curricular programs, student achievement, staff development and parent involvement. Teaching and support staff are highly dedicated individuals, focused on promoting and developing instructional strategies to ensure students acquire mastery and proficiency in all subject areas. Date houses 23 general education classes, one co-taught class, two moderate to severely handicapped classrooms, and two Social/Emotional Areas for students. Additionally, a state preschool program is available to eligible 3-5 year olds; the preschool program offers a child-centered curriculum focusing on physical, cognitive and social-emotional growth. All students participate in a rigorous curriculum as prescribed in the core curriculum for the Fontana Unified School District. State academic content standards form the foundation for teaching and learning. The staff works collaboratively to deliver the curriculum using a variety of effective instructional strategies. Teachers regularly evaluate each student's performance data to identify individual needs for intervention programs and to develop action plans. Instructional programs are modified based upon student learning levels, employing proven, research-based strategies focused on increasing proficiency in language arts and math and on closing the achievement gap.

CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

SCHOOL FACILITIES

Age & Condition of Facilities

Date Elementary School provides a clean, safe, and functional environment for learning through proper facilities maintenance and campus supervision. Built in 1997, the school sits on 7.89 acres and includes a library, a staff lunch room, 26 permanent classrooms, nine portable classrooms, two computer labs, a teacher's workroom, and a multipurpose room.

Date Elementary is the recipient of the Drought Response Outreach Program for Schools (DROPS). This project was funded by Proposition 13 Watershed Protection Funds through an agreement with the State Water Resources Control Board. A total of fourteen projects are in the process of being completed to reduce stormwater runoff. Some projects have replaced pavement with native landscape and others have replaced asphalt with permeable pavement.

Campus Supervision

Date Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds. Parents must present a valid ID that is scanned through our RAPTOR system intended to provide an added measure of security for students and staff. As students arrive on campus each morning, two noon aides and four teachers are stationed at strategic locations on campus and in the cafeteria to supervise student activities. The principal and assistant principal assist with the safe flow of traffic in the mornings and greet students and families as they arrive on campus. During recess, three noon aides monitor students on the playground. At lunch time, four noon aides and available administration are present in the cafeteria and on the playground. When students are dismissed for the day, teachers escort their students to the designated pickup and exit areas and remain on duty until all students have departed. School administrators are stationed at strategic locations on campus to assist with supervision immediately following dismissal.

Campus Maintenance

School custodial staff and the district's maintenance department work together to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors.

The Fontana Unified School District publishes a comprehensive custodial manual which outlines cleaning standards and prioritization guidelines. Each custodial staff member receives job training and is provided a copy of the district's cleaning manual which defines individual responsibilities regarding maintenance procedures, daily responsibilities, performance expectations, and safety measures. One full-time day custodian (senior custodian), two full-time evening custodians are assigned to Date Elementary School and are responsible for keeping classrooms and facilities clean, safe, and in good repair and working order.

Each morning before students arrive on campus, the day custodian inspects facilities for graffiti, safety hazards or other conditions that need attention prior to students and staff entering school grounds. Graffiti and unsafe conditions are resolved immediately by the district's maintenance department. Restrooms are checked routinely throughout the day, based upon a regular cleaning schedule, and cleaned as needed. The principal and custodians communicate daily regarding campus maintenance and safety issues.

Daily housekeeping and cleaning takes place in the evening. When students and staff are on intersession or school break, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

An electronic work order process is in place for non-routine school repairs and maintenance projects. School staff submit work orders to the school secretary who forwards all work orders to the district's maintenance department which identifies the scope of the project and then assigns the project to either district maintenance technicians/specialists or site custodians. Each site custodian is capable of handling general repairs; projects requiring specialists or third party contractors are completed by the district's maintenance department. Emergency repairs are typically resolved immediately by either school custodians or district maintenance specialists.

Improvements to Facilities

The following facility improvements are being made districtwide where necessary: wi-Fi infrastructure upgrade and technology upgrades, sidewalk replacement (on-site tripping hazards), portable ramp replacement, portable HVAC units for portable classrooms of various sites, re-sealing of gym floor, solar installation projects, PA system upgrades, paint exterior of entire school, paint interior of entire school, replace/repair swamp coolers, replace intermittent failing HVAC units, replacement of portable siding and paint, replace ramps, general installation of TVs in classrooms.

Additionally, the following improvements are planned for Date Elementary: Upkeep of Ionization system to help purify air system and general installation of interactive monitors in classrooms.

Facility Inspection Results

Ongoing maintenance by site custodians and district trade specialists ensures facilities remain up-to-date and provide adequate space for students and staff. The district's maintenance department inspects facilities and operating systems at each school at least twice a year. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). Fontana Unified School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs.

INSTRUCTIONAL MATERIALS

Sufficiency of Instructional Materials

Fontana Unified School District held a public hearing on September 21, 2022, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, foreign language materials, visual and performing arts materials, and/or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects, Foreign Languages, Health, and Visual and Performing Arts, for use in the classroom and to take home.

Adoption of Instructional Materials

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

TEXTBOOKS

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)				
2021-22	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate (Percentage)

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

Parents are encouraged to get involved in Date Elementary School's learning community. In person or virtual events such as Back-to-School Night, Coffee with the Principal, and parent-teacher conferences provide opportunities for parents to interact with school staff while supporting their child's academic programs. The School Site Council, Parent Teacher Association, District Advisory Council, and English Learner Advisory Council provide opportunities for parents to have input on curricular programs and school budgets. Parent education activities and workshops designed to actively engage parents in in-depth learning opportunities and support individual parent capacity to support their child's learning are offered throughout the year. Date Elementary School offers parent education opportunities including the Parenting Partners, Parent Empowerment, English as a Second Language, United States citizenship and computer classes for parents and community members. If allowable by county guidelines, child care is offered to support parent attendance. A calendar of events as well as a newsletter with parenting tips and suggestions is sent home monthly to all families. All school-to-home communication is provided in both English and Spanish. Administration and other staff send personalized messages regarding events and important information home via Parent Square messaging system and Twitter. The school marquee and website display special announcements and current event reminders.

SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SCHOOL SAFETY

The comprehensive Safe School Plan is developed by the Safe Schools Committee on an annual basis to comply with Senate Bill 187 of 1997 and is submitted to the District for approval. The plan was last reviewed, updated, and approved in August 2022. An updated copy is available to the public at the school office.

Highlights of the Safe School Plan include:

- Safe Schools' Plan of Action
- Comprehensive disaster and crisis plan
- State and local discipline policies
- Intervention programs for at-risk students
- Addressing student aggression
- Visible authoritative presence on campus
- Safe transportation
- Communication strategies
- Conflict resolution

SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2019–2020 and 2020-2021 suspension and expulsion rate data are not comparable to prior year data. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS

For additional research materials and Internet availability, students are encouraged to visit county and city public libraries, which contain numerous computer workstations.

PROFESSIONAL DEVELOPMENT

All training and curriculum development activities at Fontana Unified School District revolve around the Common Core State Standards, including Next Generation Science Standards, Professional Learning Communities, 21st Century Learning and Multi-Tiered System of Supports. The schools supplement district training with site-based training focused on meeting the needs of the school, based upon student assessment results and teacher input. The district plans, implements, and evaluates professional development opportunities for administrators and teachers. Staff members are encouraged to attend district sponsored training and professional development programs.

All staff completes mandatory training online through Target Solutions annually. The mandated training covers the following topics: Child Abuse, Mandated Reporter Training, School Bullying, Anti-Harassment Training, Maintaining Professional Staff/Student Boundaries, Bloodborne Pathogens Safety, and Recognizing and Preventing Youth Suicide.

New and veteran teachers are offered support through Peer Assistance and Review and Induction programs. Each program pairs participating teachers with qualified mentoring teachers in order to gain skills and knowledge to be most effective in the classroom. Paraprofessionals receive specialized training to support current classroom curricula and effective instructional strategies. Classified support staff receive job-related training from department supervisors and district representatives.

Three days are dedicated annually to district-wide staff development. All school sites have early student-release days on Wednesdays for PLC meetings, Staff collaboration, teacher prep time and professional development. Additional professional development opportunities take place by releasing teachers from their classroom with substitutes. To ensure this doesn't impact the instructional program, every effort is made to limit teachers being released from their classroom for professional development to no more than five - ten days per school year. Teachers and classified staff are also offered additional optional professional development opportunities outside of their work day and during winter break, summer break, and Saturdays. Additional compensation is awarded for attendance in order to encourage staff to take advantage of opportunities available during non-contracted times.

COUNSELING AND SUPPORT SERVICES

Date Elementary School makes every effort to meet the academic, emotional, and physical needs of its students. The school employs highly qualified personnel to provide counseling and support services. Student Intervention Teams (SIT) address issues that affect the ability of a student to perform at his or her best in school and recommend various intervention strategies/services to meet the unique needs of referred students.

Date Elementary employs one full-time counselor who works with individual and small groups of students to provide specialized support for educational, socio-emotional, and behavioral goals. The district's Special Education Local Plan Areas (SELPA) provides a wide range of specialized instructional and support services for students with exceptional needs. The SELPA employs highly qualified professionals and special education experts to meet the unique needs of each child based upon their IEP. Date Elementary School's special education staff collaborates with the district's SELPA to coordinate designated instruction and services (DIS), special education programs, and resource programs to ensure students receive instruction and services to support their individual learning needs.

DISCIPLINE AND CLIMATE FOR LEARNING

Date Elementary School has established schoolwide behavior expectations. Rules and behavior expectations are aligned with the policies established by the Fontana Unified School District. Date Elementary has continued its implementation of a Positive Behavior Interventions and Supports (PBIS) system, which provides students with explicit instruction in critical social skills, establishes schoolwide and classroom expectations, and focuses on rewarding positive behaviors. Date Elementary has successfully implemented all 3 tiers of support, resulting in the Platinum Award in 2021. Additionally, PBIS focuses on reducing behavior problems that interfere with student learning, improve consistency in expected behaviors schoolwide, resulting in students being ready and prepared to learn. On a daily basis, students receive instruction based on the schoolwide expectations of being responsible, respectful and engaged, as well as essential social skills. A committee composed of teachers, school counselor, school psychologist, school supervisors, parents and the administration have established schoolwide behavior expectations, which are posted throughout the school. Additionally, the committee has developed an incentive system for rewarding positive conduct on a daily basis. Date Elementary utilizes a multi-tiered approach to behavioral interventions and support, which provides additional supports to students based on need. A progressive discipline approach is taken when students demonstrate severe or pervasive issues in following school rules. These students are referred to the administration for further intervention when classroom measures are no longer effective or have been exhausted. Administrators consider past behavior trends and the severity of the infraction when addressing consequences for poor choices in behavior. Additionally, administrators and staff emphasize the Seven Habits of Highly Effective People and the strategies of the Leader in Me program. At the beginning of the school year and on a daily basis, school rules and behavior expectations are shared with students in the classroom and at grade level assemblies. Students are provided a parent/student handbook (English and Spanish) which outlines district policies, school rules/expectations, and measures of disciplinary action. Parents are required to review the handbook with their child and then sign and return the handbook's acknowledgement page to their child's teacher. Throughout the school year, the administration, teachers and staff revisit school rules and address unacceptable trends in behavior. Additionally, students in all grade levels receive classroom guidance lessons regarding bullying prevention and sexual harassment policies in third grade and above. Positive student behavior is reinforced on a daily basis with virtual "Dragon Dollars." using the PBIS Rewards Program. Students use their Dragon Dollars to purchase prizes and supplies at the Virtual Student Store. Additionally, students receive classroom recognition awards on a weekly basis and each class selects a student to honor as the "Dragon of the Month" at our monthly assembly. At the end of each semester, students who have demonstrated excellent behavior are invited to attend a schoolwide celebration. Date Elementary School sponsors after-school programs and activities promoting enrichment in academics and fine arts. Students in grades K-3 participate in early numeracy and STEM enrichment activities twice a week. Students in grades 4-5 are invited to participate in the music and instrumental program. Date Elementary School sponsors after-school programs and activities promoting enrichment in academics and fine arts.
