### SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.
- To view our SARC online, please visit our website or scan the QR code above.

### DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

## DISTRICT STATEMENTS

### MISSION STATEMENT

The Mission of the Cupertino Union School District is to provide a child-centered environment that cultivates character, fosters academic excellence, and embraces diversity. District families, communities, and staff join as partners to develop creative, exemplary learners with the skills and enthusiasm to contribute to a constantly changing global society.

### OUR FOCUS

- We will prepare students for future success - in high school, college, career, and in life - in this rapidly changing world
- We will provide personalized and challenging learning experiences, designed to help each child stretch towards their "just right" next learning step
- We will develop the whole child - social, emotional, intellectual, mental and physical well-being
- We will support student success and family engagement by building partnerships with parents and community organizations

### OUR COMMITMENT AND PROMISE

- Provide Meaningful, Creative, and Innovative Curriculum and Instruction that supports student engagement and deepen student learning experiences
- Design Dynamic Learning Environments to meet the needs of all students while challenging each to develop existing skills, interests and understandings, as well as building new ones
- Attract, retain and support high quality staff who are seen as leaders and learners empowered to inspire our students
- Engage Family and Community as partners to actively support and improve the academic achievement, social and behavioral development, and health of our students
- Ensure District Communication systems are in place in order to connect our schools to our families and community, celebrate the successes of our students, staff and alumni while attracting and welcoming new families to the District
- Develop and maintain a District culture and infrastructure that ensures fiscal responsibility and places highest value on student learning
- Students will be provided and engage in learning experiences that are relevant and rigorous, personalized, and focused on the development of the whole child

### OUR BELIEFS

- All children will progress, learn and thrive when provided engaging learning experiences and environments
- One size does not fit all - students learn at different paces and in different ways
- Academics are a portion of what matters to a child's success in school and in life
- When families, communities and schools work together, students are more successful and the entire community benefits

## SCHOOL PROFILE

### DISTRICT & COMMUNITY PROFILE

In 1917, the four original one-room school districts in Cupertino - San Antonio, Lincoln, Doyle, and Collins - consolidated into what is today the Cupertino Union School District. More than a century later, the Cupertino Union School District is the largest elementary school district in northern California and consistently ranks amongst the top performing elementary (TK-8th) school districts in California. Cupertino Union School District currently comprises of 17 elementary schools, one K-8 school, and five middle schools located throughout the city of Cupertino and portions of Sunnyvale, San Jose, Saratoga, Los Altos, and Santa Clara.

### ABOUT THE SCHOOL

Montclair Elementary School offers transitional kindergarten through fifth grade classes. Our school has been named a State Distinguished School based on outstanding school-wide programs for several years. Montclair is known for its community involvement and its quality of education.

Montclair, located in Los Altos, California, is one of 25 schools in the Cupertino Union School District. We serve a population of approximately 400 students in transitional kindergarten through fifth grade. Our roots go deep in Los Altos; Montclair School has been a neighborhood school for fifty years. Montclair, like our district at large, celebrates diversity as its strength and is committed to developing an inclusive, caring educational community in which each individual has an equal opportunity to achieve his or her potential.

Montclair is very fortunate to be supported by our Montclair Parent Teacher Organization (MPTO). MPTO is a non-profit organization that engages the community to contribute to quality education at Montclair.

Each year a school plan (SPSA) is established by School Site Council (SSC) which sets priorities for the school and reviews how school funds can support agreed upon goals. SSC is an elected body made up of parents, teachers, staff and the principal. You may access the 2022-23 School Plan for Student Achievement [here](#).

Parent support of Montclair is also seen in the many ways they volunteer. The school and the community view themselves as a "family" and a "team", and demonstrate mutual respect, caring, and communication.

### SCHOOL BELIEFS

Montclair Elementary School is committed to providing a strong academic program for all students. With this goal in mind, we encourage parent participation and involvement. We believe that active parent support and regular communication between home and school will help to ensure a quality educational program. Together we share a very important responsibility. The growth and development of your child is at the center of our relationship with each other. We encourage you to work with us in providing the best possible educational setting for your child.

### SCHOOL MISSION STATEMENT

As a school, we are committed to the success of each Montclair student. The Montclair staff is dedicated to working with students, parents and each other to create a school in which each student:

- is welcomed and valued as part of a safe, caring and educationally challenging community respects their self and others
- acts responsibly
- is encouraged, supported and challenged to grow to their fullest potential, academically and socially
- develops an enjoyment of learning and the strategies and skills that enable them to be a lifelong learner

#### CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**TEACHER ASSIGNMENT**

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

**SCHOOL FACILITIES**

Montclair is comprised of a kindergarten area, a library media center, an iLab, a large multipurpose room, and 30 classrooms. The school also enjoys a spacious playground with slides and play bars, as well as grassy fields for running, sports, and games. Every classroom is wired for Internet connection. In recent years, Montclair added a new playground on the campus for the addition of the CuperDoodle Preschool. Additionally, the school has been modernized with all classrooms receiving upgrades including carpet, paint, and cabinetry.

**Campus Supervision & Safety**

The Cupertino Union School District, all schools, and staff are dedicated to ensuring the safety of all students when attending school. Before school, during recess and lunch, students are monitored by school staff. When students are dismissed for the day, teachers and other school staff monitor the student pickup areas. During school hours, all visitors must sign in at the front office, show photo identification, and wear identification badges while on campus.

**Cleaning Process**

The Principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. In the evenings and during the day, custodians ensure classrooms, restrooms, and campus grounds are kept clean and safe. A scheduled maintenance program is administered by the Cupertino Union School District to ensure that all classrooms and facilities are maintained to a degree of adequacy.

**Maintenance and Repair**

District maintenance staff ensure that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs.

**INSTRUCTIONAL MATERIALS**

Cupertino Union School held a Public Hearing on September 22, 2022, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

**\*Note: History/Social Studies Curricula**

The district is in the process of transitioning to new curricula and instructional materials for the subject of History/Social Studies for grades kindergarten through five. The district has reviewed the materials that are currently in-use and determined them to be aligned with the state standards. The new curricula is currently being piloted and is expected to be adopted during the spring of 2023 with full implementation during the 2023-24 school year.

**TEXTBOOKS**

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

**PUPIL ACHIEVEMENT AND OUTCOMES**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

**CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS**

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science

- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

#### ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

**PHYSICAL FITNESS ASSESSMENT**

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

2021-22 Physical Fitness Test Participation

**PUPIL ENGAGEMENT**

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

**CHRONIC ABSENTEEISM**

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)				
2021-22	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate (Percentage)
All Students	406	400	19	4.8

**PARENT ENGAGEMENT**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

## PARENT INVOLVEMENT

The Montclair Parent Teacher Organization (MPTO) is a non-profit organization that engages the community to contribute to quality education at Montclair. Community support has been crucial to providing stopgaps where state funding has failed our children. MPTO's programs depend on all of us! All contributions are tax deductible, and over 95% of what MPTO raises goes directly to benefit our children's education.

## WATSA (Walk-A-Thon and Silent Auction)

Every spring MPTO holds this amazing event. Students participate by walking laps around campus, and parents can purchase items. The community comes together as hundreds of volunteers work together to make the event successful. More information about the next WATSA will be made available as the event approaches.

MPTO membership includes the parents/guardians of all current students and Montclair's teachers and staff. The all-volunteer board is made up of Montclair parents.

Many Montclair parents help children in the classrooms and library, on field trips, as Project Cornerstone Classroom Readers, and with other special programs. They work with small groups, read stories, and assist with projects. If you wish to participate in your child's education, please contact his/her teacher.

For additional information about organized opportunities for parent involvement at Montclair Elementary, please contact our school office at (650) 967-9388.

## SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## SCHOOL SAFETY

Safety of students and staff is a primary concern of the Cupertino Union School District. Many people visit the campus to volunteer in the classroom and participate in school events. Parents and visitors are welcomed and required to check in at the school office upon arrival and obtain a visitor's badge; visitors are required to return to the school office upon departure. During lunch, recesses, and before and after school, assigned staff supervise students and school grounds, including the cafeteria and recreation area, to ensure a safe and orderly environment.

The Comprehensive Safe School Plan was developed by the District to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. Fire drills are conducted on a monthly basis throughout the school year and intruder/lock-down drills are held annually.

The school evaluates the plan annually and updates it as needed. Safety procedures, including elements of the Safe School Plan, are reviewed with school and District staff in the fall, at the start of each school year. The last review was in August 2022. An updated copy of the plan is available to the public at the school office.

## SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2019-2020 and 2020-2021 suspension and expulsion rate data are not comparable to prior year data. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

#### OTHER SARC INFORMATION

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

#### ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS

For additional research materials and Internet availability, students are encouraged to visit the public libraries located in the cities of Cupertino, Saratoga, Santa Clara, San Jose, Los Altos, and Sunnyvale, which contain numerous computer workstations.

#### PROFESSIONAL DEVELOPMENT

Staff members build teaching skills and concepts by participating in many conferences and workshops throughout the year, then sharing their experiences and knowledge with district colleagues. The district annually dedicates four days exclusively to the professional development of school site staff. The district continuously offers additional professional development opportunities to staff throughout the school year.

The table below displays the number of professional development days available to staff.

#### SCHOOL AND DISTRICT EXPENDITURES

The table provides a comparison of a school's per pupil funding from unrestricted sources with other schools in the district and throughout the state. Supplemental/Restricted expenditures come from money whose use is controlled by law or donor. Money designated for specific purposes by the district or governing board is not considered restricted. Basic/Unrestricted expenditures, except for general guidelines, are not controlled by law or donor. The California Department of Education issued guidance to the district in August 2018 regarding how to calculate school-level per-pupil expenditures.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.
